

A futuristic space scene with a planet, a bright star, and a ringed planet. The background is a deep blue space filled with stars and a bright sun on the right. In the center, a large, pale planet is visible. To its right, a ringed planet is partially seen. In the foreground, several dark, rocky asteroids are scattered across the scene.

А я вижу проблемы!

A dramatic space scene featuring a large planet in the center, a bright star in the upper right, and a shower of comets and asteroids streaking across the dark blue background. The scene is filled with light trails and dust, creating a sense of intense cosmic activity.
