### Lecture # 3

## Historical resistance to establishing the Soviet hegemony in Qazaqstan

### -Evaluation of the innovations in education

# <u>- Alash movement</u> (the government of the Alash-Orda autonomy, and the identity of the party "Alash" ideas)

#### <u>CONCEPTS</u>

**Autonomy** - 1. state administration (self-government) is a political and national structure (Republic, region, district), endowed with the right of self – government within one state. An integral part of the governed state on the basis of a single Constitution; 3. Independent decision of the internal power of a certain national-territorial zone.

**Petition -** is a collective appeal sent to higher authorities

**Totalitarianism** - a type of government in which all spheres of society are under the control of the authorities, human rights and freedoms are lost

**Declaration** - the most important statement on behalf of the government, the state, political parties and international organizations

**Decree** - on the same issue, resolution of the Supreme Council, having legal force, legal act

Try to think :

•Because of what the idea of the Kokand autonomy and the Alash Orda has not achieved success?

Turkistan Autonomy	<u>similarities</u>	Alash Horde Autonomy
<i>differences:</i> 1.	Idea:	<i>differences:</i> 1.
2.	Purpose:	2.
Conclusion: Value of ideas
