*Уфимский дельфинарий.*

A trip to the dolphinarium we took two and a half hours. We booked tickets in advance. When we went with the family to the dolphin, we saw dolphins playing. We sat on the second row and we were still evident.

In mid-painted dolphin drawing themselves. This figure announced auction. As a result, the man bought the right image for a thousand rubles. Bonus was boating with dolphins.

A photograph of a dolphin show in an indoor arena. Two dolphins are jumping out of a pool of water. In the background, a large audience is seated on the left. To the right, there are various props including a large blue ball, a red and blue hoop, and a yellow ball hanging from the ceiling. The arena has a white, curved, ribbed ceiling.

Dolphins jumping a lot, catching balls, spinning hoop, jump through it. All commands are performed accurately.
