Делитесь на команды, раздавайте карточки, подавайте друг другу тайные знаки и побеждайте!

- 2. Разделитесь на 2 или 3 команды (в каждой команде должно быть по 2 игрока).
- 3. Каждая команда договаривается о тайном знаке (жесте или слове), который позволит понять, что у игрока из вашей команды есть пара карт. Соперники не должны знать, что это за знак.
- 4. Игроки содятся, образуя круг.
- 5. Перемешайте колоду карт и раздайте поровну всем игрокам.

ход игры:

Первый игрок вытягивает одну карту из набора участника, сидящего от него по часовой стрелке.

Затем тот игрок, у которого только что вытягивали карту, в свою очередь тянет карту из колоды следующего участника, сидящего по часовой стрелке. Так продолжается до тех пор, пока один из игроков не соберет пару карт.

Когда это произошло, игрок подает тайный знак любому участнику своей команды, чтобы тот объявил «Пара!».

Две одинаковые

Когда это произошло, игрок подает тайный знак любому участнику своей команды, чтобы тот объявил «Пара!».

 Если в момент объявления в наборе игрока действительно есть пара, команда выигрывает эту пару карт (откладывает в сторону для подсчета карт в конце игры).

 Если нет, команда скидывает в отдельную колоду сброса ранее выигранную пару карт. Если у команды еще нет карт, ничего не происходит.

Также любой участник может выкрикнуть «Пары нет!», если ему показалось, что соперники подают друг другу знаки. В этом случае он показывает этот знак остальным игрокам.

Если это действительно знак команды-соперницы,
 эта команда передает свою пару команде,
 которая выкрикнула «Пары нет!». А прежде чем продолжить игру, участники договариваются о новом тайном знаке.

 Если это не знак команды-соперницы,
 то выкрикнувшая команда теряет ранее заработанную пару карт и передает ее команде-сопернице.
 Если у команды еще нет карт, ничего не происходит. alien ball balloon baseball basketball bike
