

Virtual “Guess My Word” game

--	--	--

Alvin the alien wants to go home.

You want him to stay.

Guess letters and complete the word before he can rebuild his spaceship!

Set up...

Teachers...

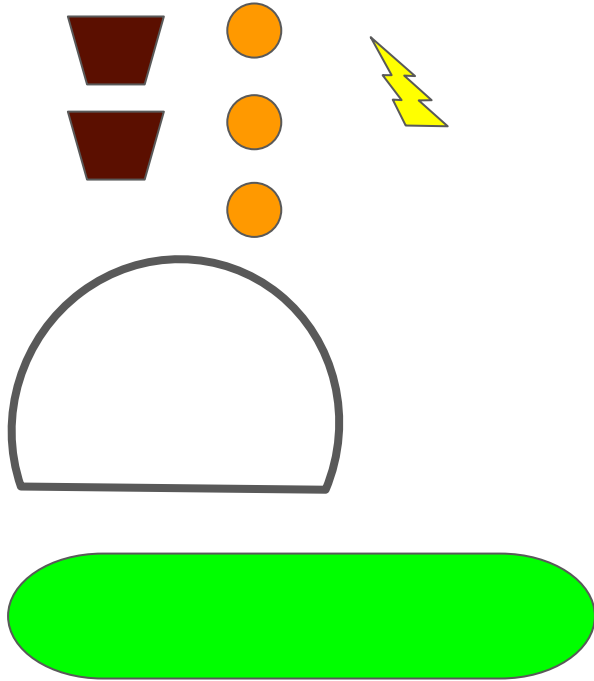

Make as many copies of the templates as you wish.
On each slide move the red rectangle out of the way and type in the word, then cover it up.

Play...

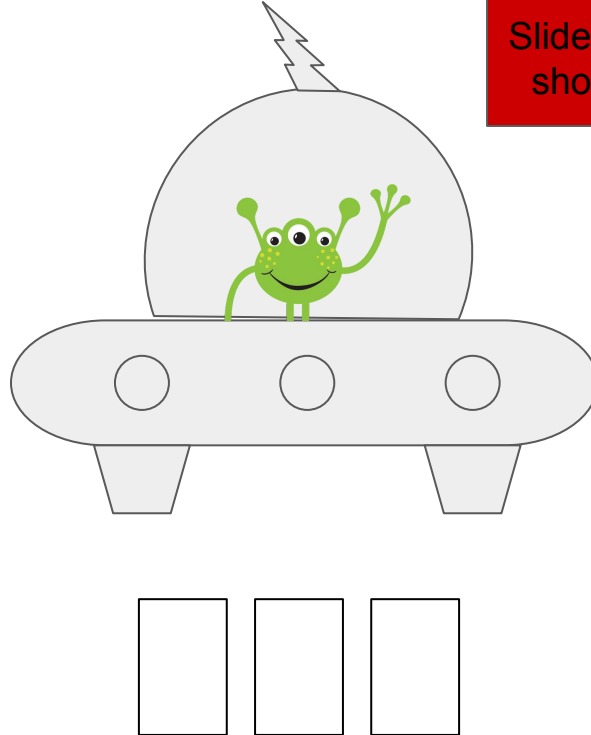

As the letters are guessed either cover with a dot and add one piece to the ship (wrong letter), or cover with a dot and add type it into the box if it is correct.

Play ends when either the word is guessed or the ship is complete.

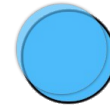

Use the shapes to
build the spaceship.
Once the ship is
complete the Alien
can fly away.
