Drawchat

<https://draw.chat/>

The screenshot displays the Drawchat web application interface. At the top, a browser address bar shows the URL `draw.chat/A8DE8D355B1919DF5F1:q5g1i6tk#p1,54,-4,r0,s1`. Below the address bar, a row of browser tabs is visible, including "Сервисы", "Apple - Download...", "YouTube", "Apple — Поддер...", "(1) Общий (Гму-2...", "NTP NTP SERVERS —...", "Sococo", "Почта", and "ЦО 'Технологии...".

The main interface is divided into several sections:

- Toolbar:** A horizontal toolbar at the top contains various drawing tools such as a selection tool, eraser, line tool, rectangle tool, circle tool, text tool, image tool, and brush tool.
- Canvas:** The central drawing area is mostly blank, featuring a red text prompt "ДО новых встреч!!!" and a small black plus sign (+) in the center.
- Chat Window:** Located on the right side, it includes a profile picture placeholder (a grey silhouette of a person with a headset), a chat input field with the placeholder text "Напишите сообщение ...", and a list of chat commands: `/ color [цвет]`, `/ play [youtube-link]`, and `/ roll [dice-side]`. A purple label "Худьги" is positioned above the chat window.
- Bottom Bar:** A small purple box in the bottom left corner contains the number "1" and a plus sign icon. A "DRAW CHAT" logo is visible in the bottom right corner of the canvas area.
