People I admire

## Introduction

Claudia Gordon - First Deaf Female Lawyer In USA

Claudia Gordon was born in poor
Jamaica, after that her mother immigrated
To South Bronx, in New York.
After few years Claudia starts to develop
some pain in her ears, moreover with no
doctor on duty. Nurse could not figure out
what is going wrong, and in age of eight
Claudia became deaf.

Fig.1

## Main facts

- 1. First deaf student to graduate from American University Washington College of Law in 2000
- 2. She specialized in disability rights law policy
- 3. Graduated from Harvard University is 1995, with bachelor degree in 1955
- 4. In New York, Claudia began to attend school, where she began to learn sign language.

## Main Difficulties in Communication

1. Sign language is not so strong as human speech for ordinary peoples

2. It was difficult to study in Harvard University with ordinary peoples (why don't now sign language)
