Find, click all the other eggs and say where they are hidden.

The image is a vibrant, detailed illustration of a whimsical garden and interior scene, designed for an Easter egg hunt. The scene is set in a sunlit garden with a large, ornate stone archway leading to a fountain. A woman with long brown hair, wearing a blue dress and a blue hat, sits in a wicker rocking chair, holding a white rabbit. A man in a top hat and green suit is depicted in a framed picture on a table. A large, gnarled tree in the background is covered in keys. A small rabbit is sitting on a table, and a small man in a blue hat is sitting on a bench. A large, colorful Easter egg is hidden in the garden. The scene is filled with various garden elements, including flowers, a fountain, and a large tree. Red circles are placed around the hidden Easter eggs, indicating their locations. The URL www.vk.com/egppt is visible in the top right corner.
