CHAPTER 3

Lesson 9

### Before You Read

Look at the pictures.  
Who can't hear sound? Why?

The man in picture **d** can't hear sound because there is no air in space. Air is a medium that carries sound.

### Before You Read

Look at the pictures.  
Who can't hear sound? Why?

The man in picture ④ can't hear sound because there is no air in space. Air is a medium that carries sound.
