Conclusion

CONFERENCE INFORMATION

✓ Introduction

- ✓ **Proposed Host Organization:** Kazakhstan Geotechnical Society (KGS)

More than 100 active members.

KGS reached the experience in hosting of **local seminars, workshops** and **international conferences** (including the 1th, 2th, 3th Central Asian Geotechnical Conferences , 8 AYGEC, etc.)

- ✓ **Proposed Congress President:**

Prof. Askar Zhussupbekov (L.N. Gumilyov ENU, President of KGS)

- ✓ **Proposed Congress Dates:**

August 14-18 (Monday-Friday), 2023

- ✓ **Proposed Congress Venue:**

EXPO Congress Hall, Nur-Sultan city, Kazakhstan

ARC
17th

Asian Regional Conference on
Soil Mechanics and Geotechnical Engineering

CONFERENCE INFORMATION

Main Theme

Smart Geotechnics for Smart Societies

Subjects

- (1) Soil characteristic and properties
- (2) Underground space and deep excavations
- (3) Tunneling
- (4) Slope, debris flow and embankment
- (5) Dam
- (6) Shallow and deep foundation
- (7) Soil dynamics and geotechnical earthquake Engineering
- (8) Soil improvement
- (9) Geoenvironmental engineering
- (10) Geotechnical reliability, risk assessment and management

Soil Mechanics and Geotechnical Engineering

ABOUT VENUE

EXPO Congress Hall

ARC
17th

Asian Regional Conference on
Soil Mechanics and Geotechnical Engineering

Area

- 43 220 m²
- 3 floors above the ground, as well as underground Parking for 179 m/place

Height

- 29 m

Main hall with a total area of 2,659 m² is designed for 2,214 people (including telescopic stands for 1,610 seats, mobile seats for 492 seats and seats for persons with disabilities – 22 seats), 4 conference halls (each hall with an area of 700 m²)

The building is located in the area of EXPO-2017 exhibition complex and has a unique design of transparent roof

ABOUT KAZAKHSTAN

ARC
17th

Asian Regional Conference on
Soil Mechanics and Geotechnical Engineering

Kazakhstan - Global Safety, Dynamics, Hospitality

ABOUT KAZAKHSTAN

ARC
17th

Asian Regional Conference on
Soil Mechanics and Geotechnical Engineering

Area

- 2724.9 thousand km²
(9th place in the World)

Population

- 18 million people

Capital City

- Nur-Sultan

Climate

- the climate of Kazakhstan is sharply continental with average temperature between +19...+30°C in August (Summer)

ABOUT KAZAKHSTAN

ARC
17th

Asian Regional Conference on
Soil Mechanics and Geotechnical Engineering

✓ Economy

- The largest and strongest performing economy in Central Asia
- Buoyed by high world crude oil prices
- Other major exports include wheat, textiles, and livestock
- leading exporter of several mineral resources

✓ Language

- State language- Kazakh language
- Official language- Russian language
- International language- English language

✓ Food

In the national cuisine, livestock meat can be cooked in a variety of ways and is usually served with a wide assortment of traditional bread products, beshbarmak (horse meat)

Refreshments often include black tea and traditional milk-derived drinks such as ayran (source milk), shubat (camel milk) and kymyz (horse milk)

About KAZAKHSTAN
