INSCRIPTION

INSCRIPTION

Game , that will help you learn English. It's because you need to read and translate a lot of texts , so in my opinion it's very interesting game

In this game you need to talk with Leshy , find clues , play with him in card game , get free caged wolf and do many interesting things.

In the Inscription you will see lots of characters such as Trapper , Trader , Angler and others.

Map of Inscription

In fact, this game have a lot of maps, acts, characters and mechanics, but today I will tell you about 1-st act
