

CAT LOVERS

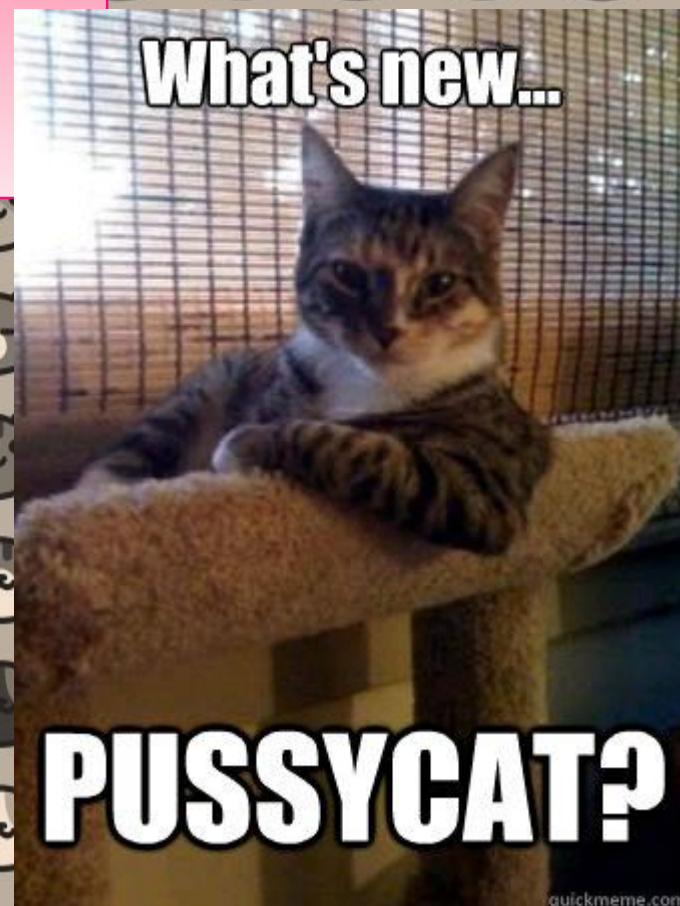

YES!  
I am  
the  
Cat  
Lady!!

Are you  
a cat lover?

You greet all of  
your friends by  
saying:

You insist on personally  
taste-testing any new cat  
food you buy

You always  
share your  
sweets with  
kitty-usually a  
Kit Kat or a  
bag of white  
mice.

**You sit on the floor to watch TV  
whilst your feline friend lounge on  
the sofa... It wouldn't be nice to  
disturb them**

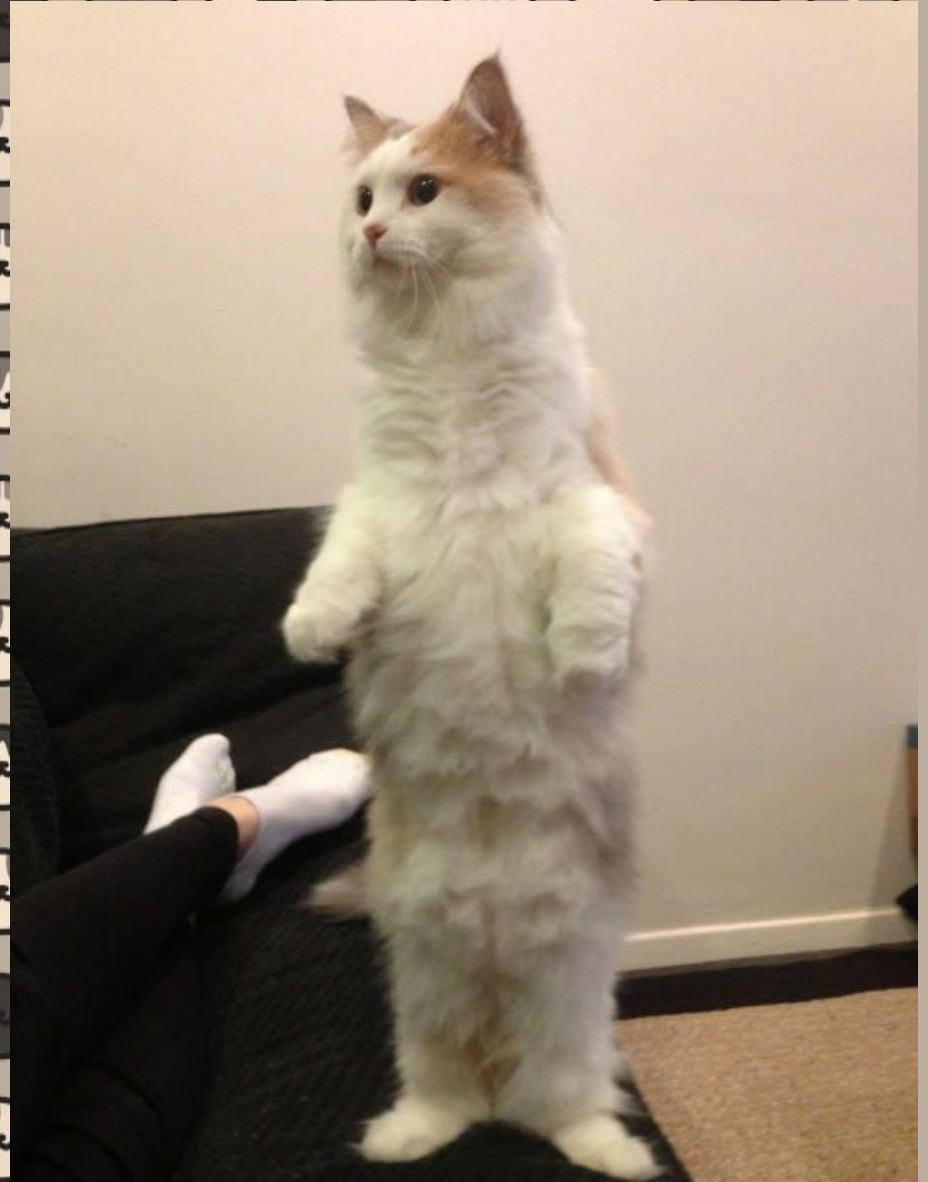

You have a wardrobe full of  
clothes and accessories for  
your cat.

**Your cat's  
deluxe litter  
tray covers over  
half of the floor  
space in your  
kitchen.**

People start to  
roll their eyes  
every time you  
begin a story  
with, "This one  
time my cat...."

You'd much rather  
spend Sunday  
morning baking  
tuna cookies for  
your cat than  
cooking Sunday  
lunch for your  
family.

The first thing  
you do in the  
morning is shake  
the cats out of  
your bed.

**IT'S OK HUMAN**

**I'M NOT COLD ANYMORE**

**You don't ask questions.  
Well, curiosity killed the cat.**
