**OPEN**

A cartoon illustration of a building entrance. The building has orange walls and two large windows with teal panes. The entrance features a set of three light brown steps leading to a double door with teal glass panels and silver handles. A red rectangular sign with the word 'OPEN' in white capital letters hangs from the top of the door. On either side of the steps are light brown pillars topped with spherical ornaments. Green bushes are visible behind the pillars, and a grey sidewalk leads to the steps.
