

# «Большой и маленький»

Помоги Топтыгину собрать в большую корзину – большие грибы, а в маленькую корзинку маленькие грибы.

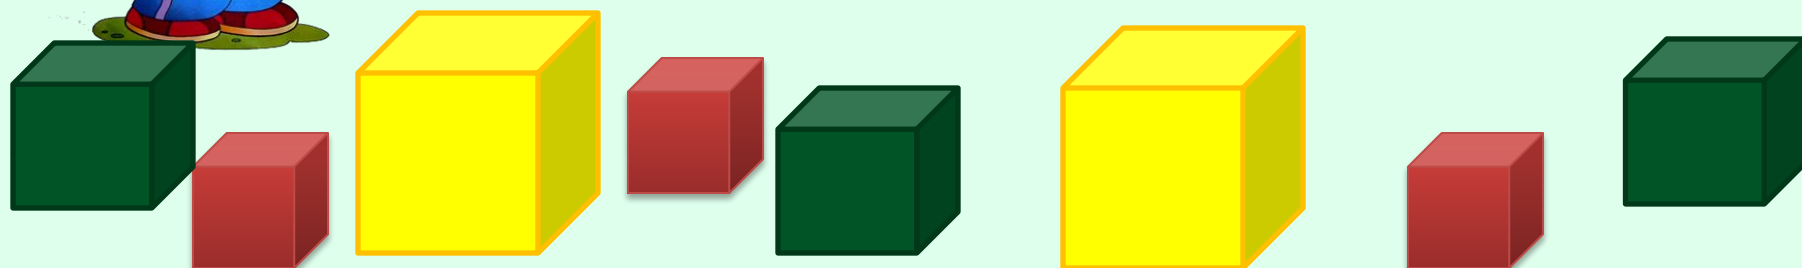

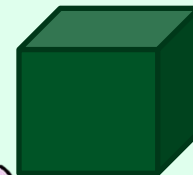

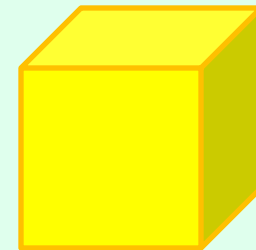

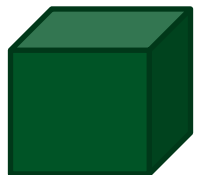

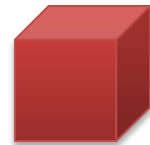

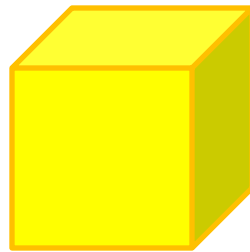

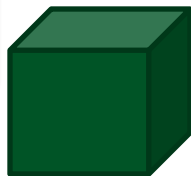

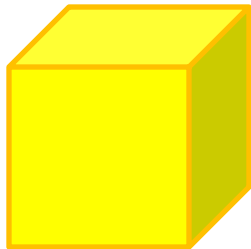

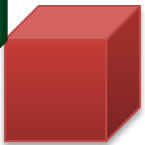

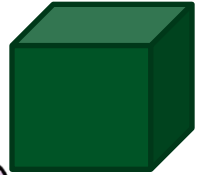

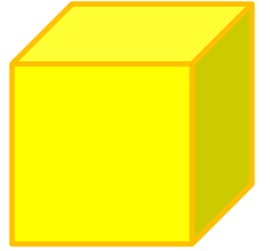

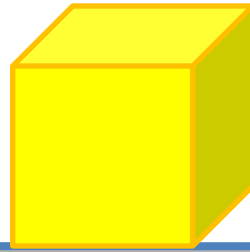

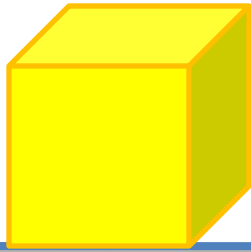

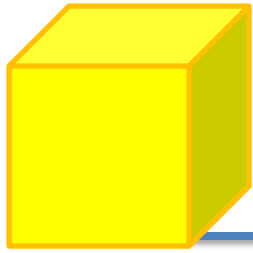

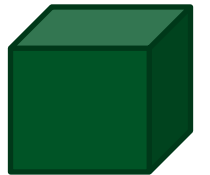

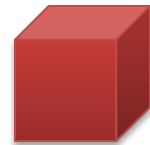

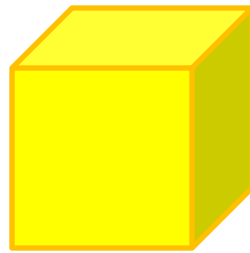

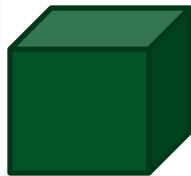

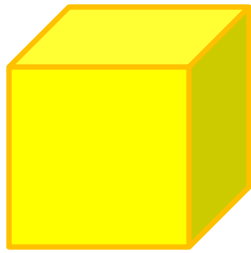

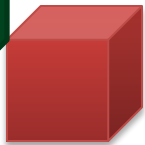

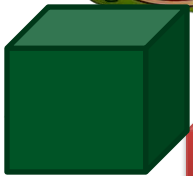

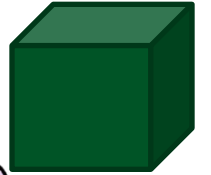

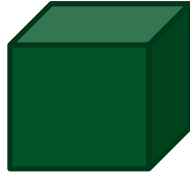

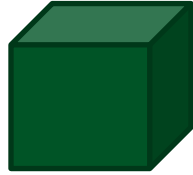

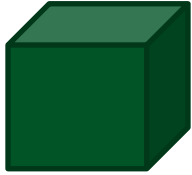

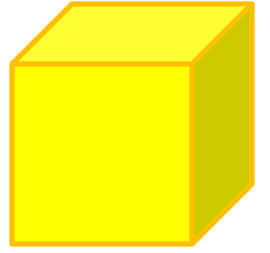

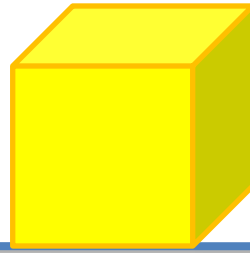

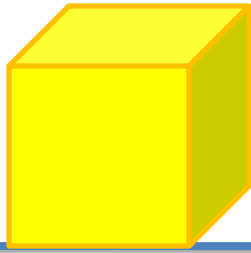

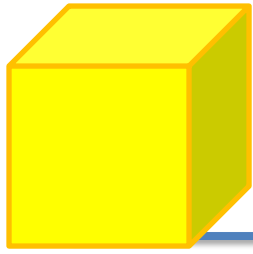

Построй для Тигрёнка поезд из  
больших кубиков.  
Для Зайчика из кубиков поменьше.  
А для Ёжика из маленьких.

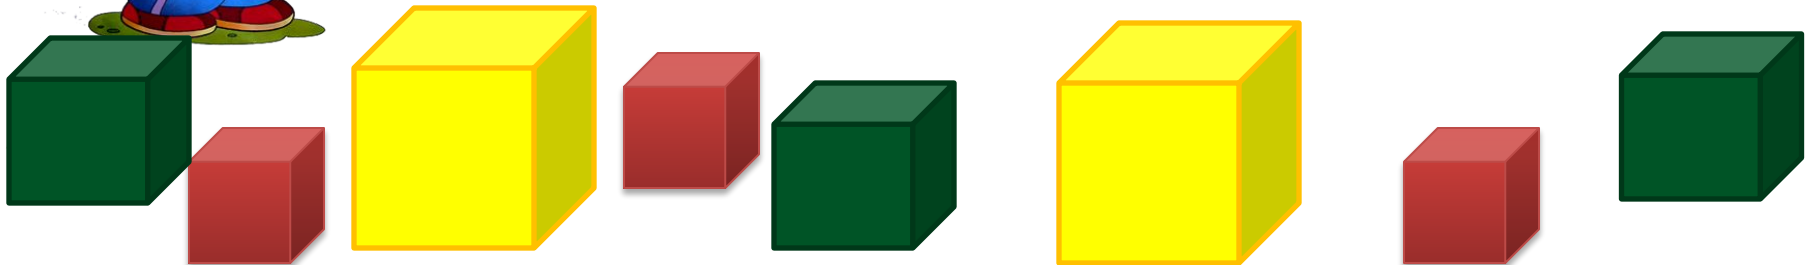

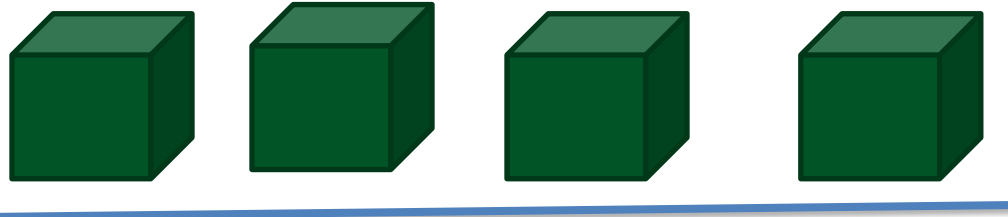

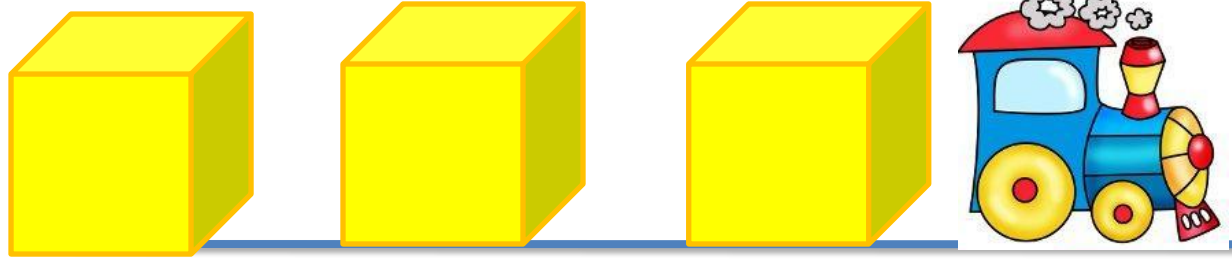

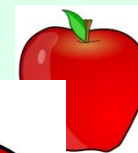

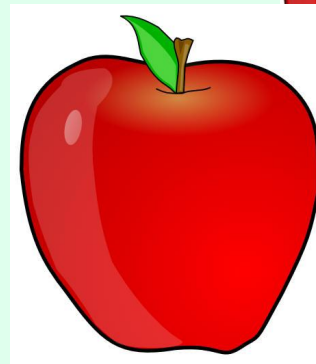

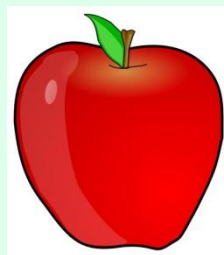

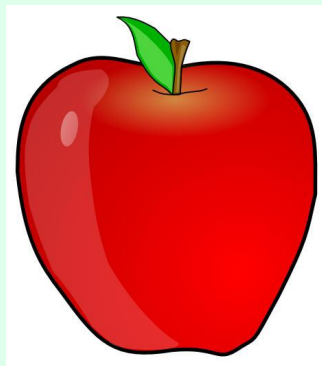

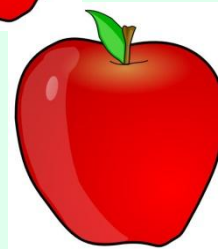

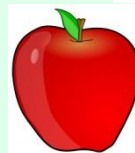

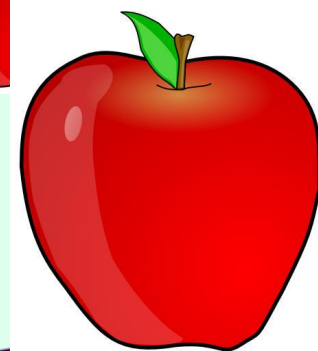

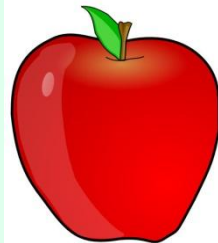

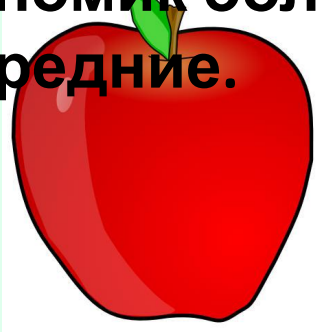

У кого паровозик из красных кубиков?

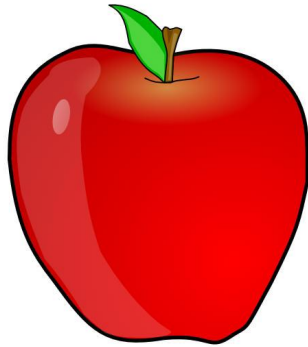

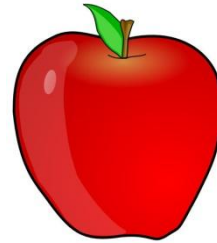

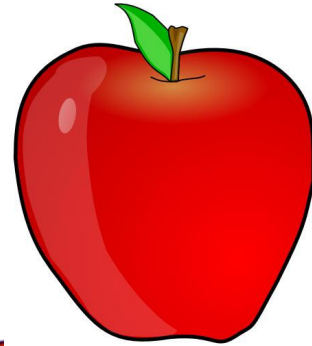

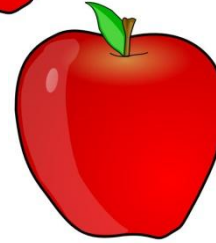

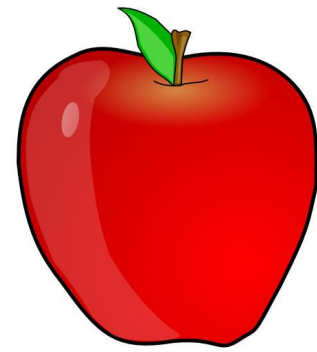

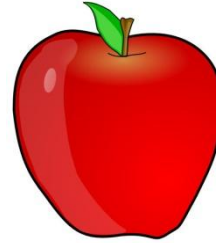

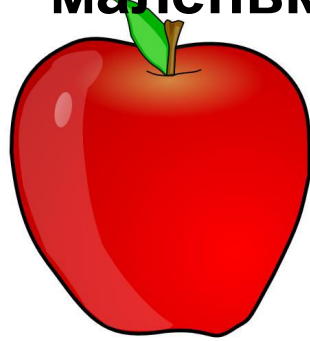

Раздай яблоки. Ёжик любит  
маленькие,  
Гномик большие, а Кот в сапогах  
средние.

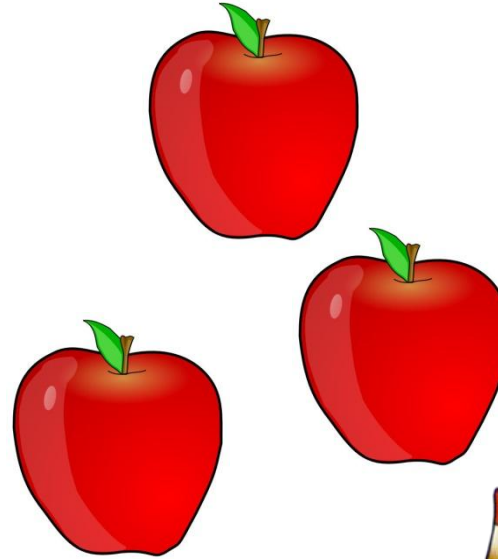

Ёжик любит  
маленькие.

Гномик любит большие  
яблоки.

Кот любит средние  
яблоки?
