

«Большой и маленький»

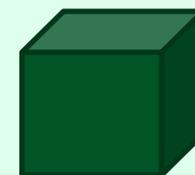

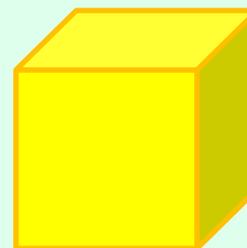

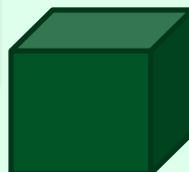

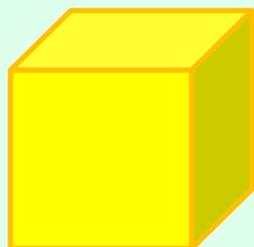

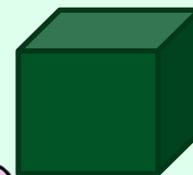

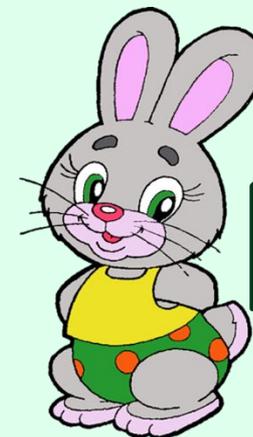

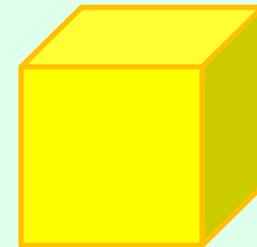

Помоги Топтыгину собрать в большую корзину – большие грибы, а в маленькую корзинку маленькие грибы.

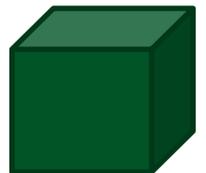

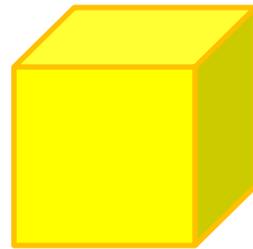

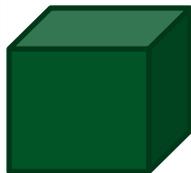

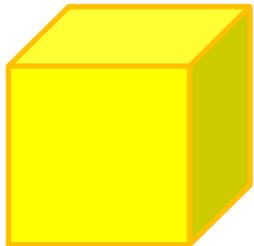

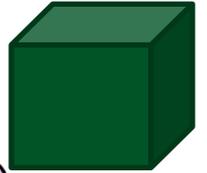

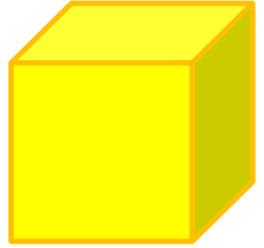

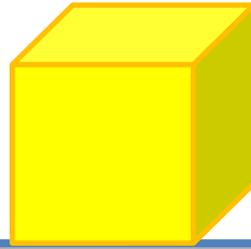

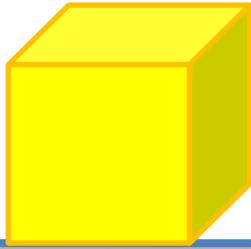

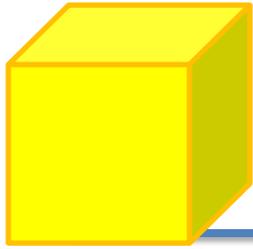

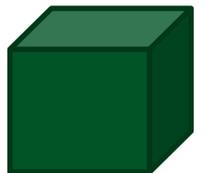

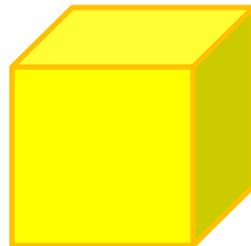

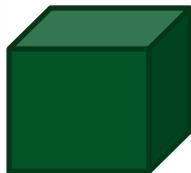

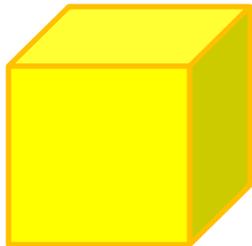

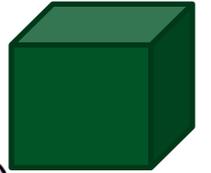

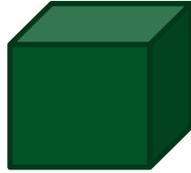

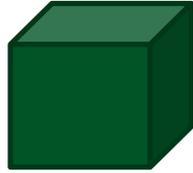

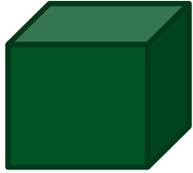

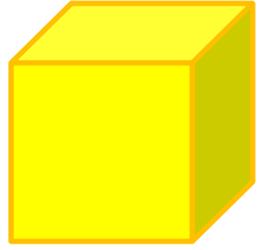

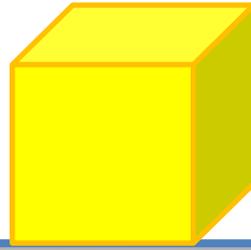

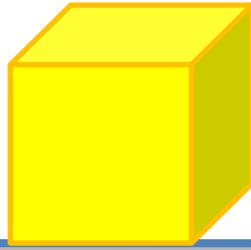

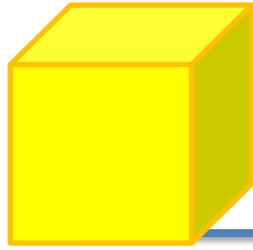

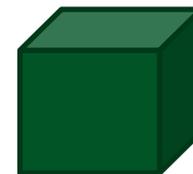

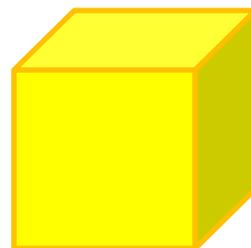

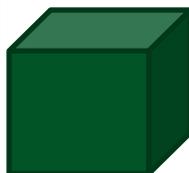

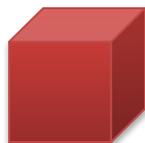

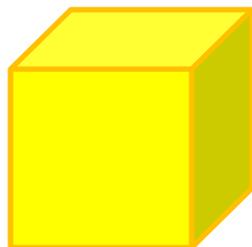

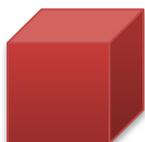

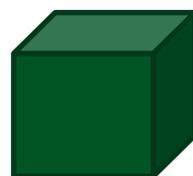

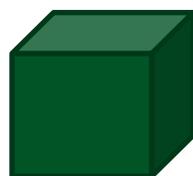

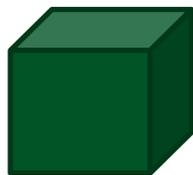

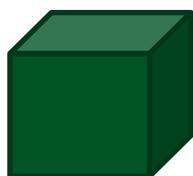

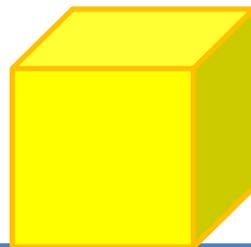

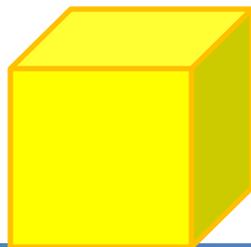

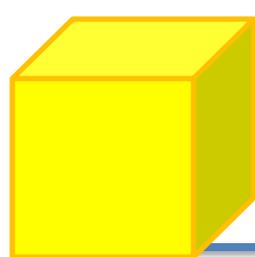

Построй для Тигрёнка поезд из
больших кубиков.
Для Зайчика из кубиков поменьше.
А для Ёжика из маленьких.

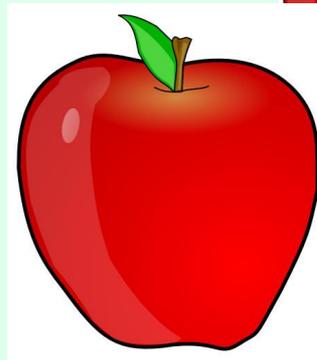

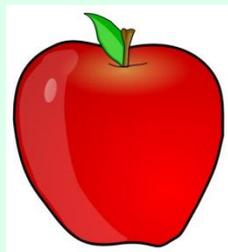

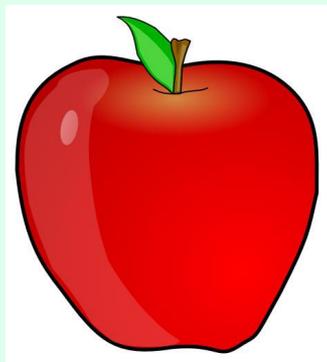

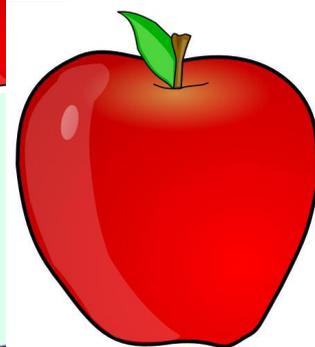

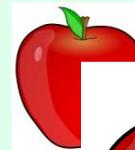

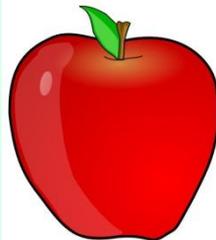

У кого паровозик из красных кубиков?

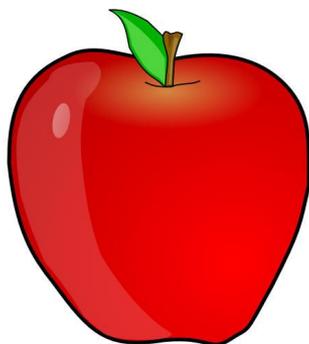

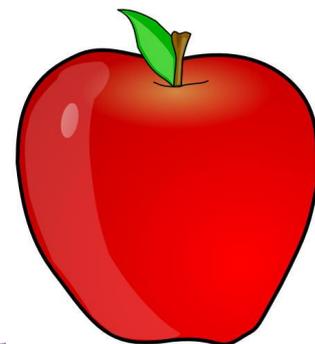

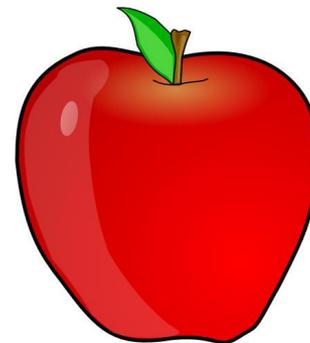

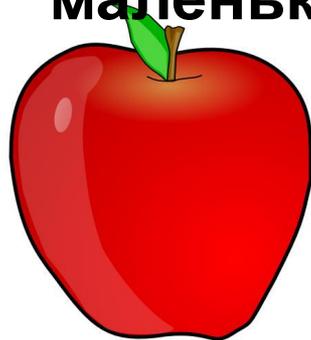

Раздай яблоки. Ёжик любит
маленькие,
Гномик большие, а Кот в сапогах
средние.

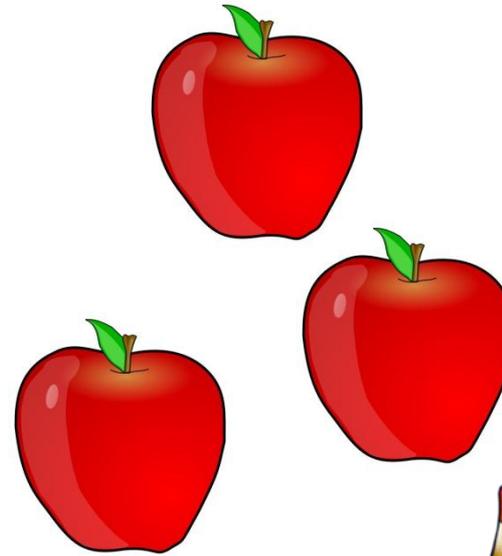

Ёжик любит
маленькие.

Гномик любит большие
яблоки.

Кот любит средние
яблоки?
