

MY LAST SHOPPING

Ilona Kolenchuk MFL-13(2)

My last shopping was at market. I do my shopping on Sunday with parents.

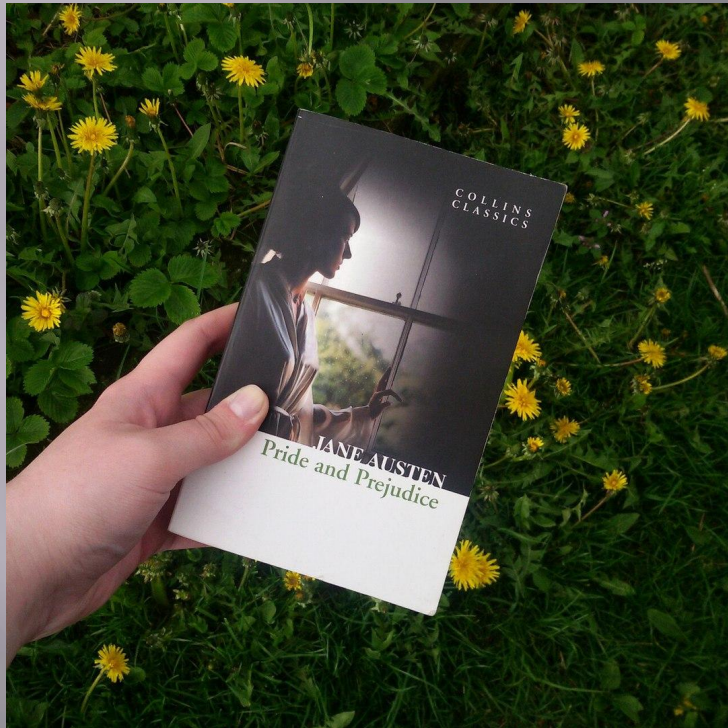

My mom always writes a shopping list because we can forget to buy something or buy things which we cannot need to buy.

***At the market we bought many things:
perfume, purse, a bag, a book, products
(bread, a carton of kefir, brynza etc).***

BOOK "PRIDE & PREJUDICE"

BAG

PERFUME

PURSE

*BREAD, KEFIR &
BRYNZA*

We bought all the things on the market and we didn't get a receipt... we can't use a plastic card here, so we paid in cash and put our goods in the bag and went to home

THANK YOU FOR YOUR
ATTENTION! ♥
