A wide-angle landscape photograph capturing a sunset over a lush green field. The sun is positioned low on the horizon, casting a warm, golden glow across the sky and the field. The sky is filled with dramatic, dark clouds, with the sun's light breaking through to create a bright, glowing path. The foreground is dominated by a dense, vibrant green field of crops, likely wheat or barley, which stretches towards the horizon. In the middle ground, there are rolling green hills and clusters of trees, some of which are silhouetted against the bright sky. The overall mood is serene and peaceful, evoking the feeling of a quiet summer evening.
