Alice: Hmm... What do you think, you two, how do I look?

Helen: Ooh, it's a gorgeous dress, Alice, but the other one seemed nicer.

Alice: Mmm... it is lovely, isn't it? But you're right. The dress looks better. Tim?

Tim: Oh, yes, lovely, very nice. Can we go and look at the dress now?

Alice: Ok, Tim. You've been very patient. Let's just get Helen's dress and then we can go to the toy shop. I want to buy a teddy bear for brother, and then Helen wants to get a present for her Dad, don't you Helen?

Helen: Yes, and after that I expect we'll all be feeling peckish, so we'll have a quick bite to eat, and the Alice wants to look at the new toys.

Tim: Here we go...

Alice: It won't take as long as the last time, I promise!

So... How is Tim feeling?

1. **Bored**
2. Impatient
3. Hungry
