We use the present perfect to talk about something that happened very recently.

I've sent you a message.

We've finished our homework.

We also use the present perfect to talk about an action in the past that is still true now.

It's very clean in here. Yes, Amy's tidied up!

We normally use the short form, especially in conversation.

We form the present perfect with **has** or **have** + past participle.

In many cases, the past participle (**finished**) is the same as the past simple form. However, many verbs have irregular past participle forms, e.g. **do** → **done**, **have** → **had**.
