**CHILL RENTAL**  
"THE DEFINITION OF FUN AND FORGING."

COLOR-CODE SIZING 140M / 148M / 152M / 156L / 162L

The Chill Rental is a freestyle board with Twin Tip shape which possesses the known and loved Nidecker ride feel. Its got a Camrock profile with rocker in the tips and positive camber underfoot. This board has a ton of stability and a flex suited to all levels of snowboarder. The Chill has bulletproof construction with a bumper in the nose and tail as well as a reinforced topsheet, and sloped sidewalls to avoid any breakages. It'll look like new even after years of use.

**AXIS RENTAL**  
"THE DEFINITION OF FUN AND FORGING."

COLOR-CODE SIZING 152M / 156L / 162L

This board is based off our beloved Escape shape which has won legions of fans worldwide. It's the gold standard in modern all-mountain riding. The Axis, which is the rental version, is exactly the same board. We've added colour-coding to fit in with the rest of the rental line, and modified the base and the topsheet to meet the needs of rental customers.
