A healthcare professional, likely a nurse or doctor, is shown in profile, wearing a white lab coat and white gloves. She is using a tongue depressor to examine the mouth of a young child with short brown hair. The child is wearing a blue shirt and has their mouth open. The background is a clinical setting with shelves containing white bottles. A semi-transparent white banner with black text is overlaid across the middle of the image.

Proszę otworzyć usta/zakaszleć.

Musi Pani zostać tydzień w domu.

A close-up photograph of two hands holding broken cigarettes. The left hand holds a cigarette with a burnt, brown tip. The right hand holds a cigarette with a broken end, showing the yellowish-brown filter and the brown end. The background is a soft, out-of-focus light blue.

Powinien Pan przestać palić.
