New Country Partnership Framework between the Kingdom of Morocco and the World Bank Group (WBG) - 2019-2024

LESSONS LEARNT FROM THE PREVIOUS CPS

The implementation experience of the CPS provides important lessons for the new Partnership Framework:

- WBG's support to key reforms was critical to mobilize consensus on broad institutional and policy reforms.
- Deepening and developing effective mechanisms for citizen engagement
- Designing effective Results framework with realistic indicators
- The WBG's knowledge programs and exchange with peer and leading countries represent the cornerstone of WBG's engagement.
