Hi, Nula - I hope you're well. How are things in Bahrain? I'm in London for three days. I'm here with Sunil. He's here for a conference, but I'm on holiday. London is a great city, but it's very expensive. Sunil's sister is in London and she's got a flat here. Her flat is nice, but it's small. It's got only one bedroom. We're in a hotel in Kensington and our room is really big. The hotel has got a great restaurant and it's near the city centre.

Message me soon. Bye.
