

HOW TO SURVIVE IN UNIVERSITY

# GO TO ALL CLASSES

WELL, NOT AT ALL, BUT FOR  
THE MOST PART

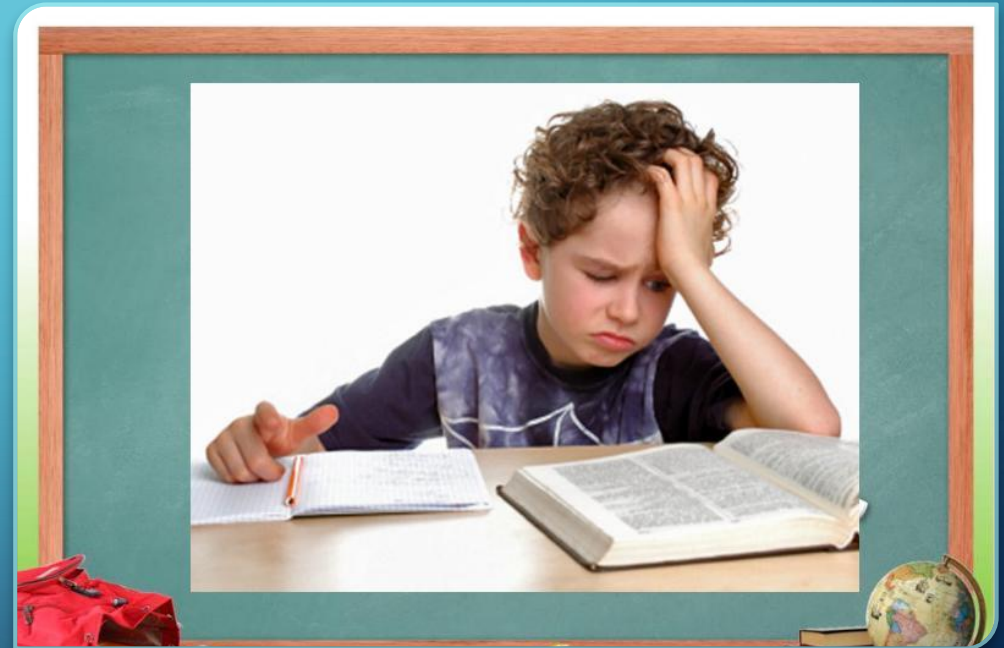

# LISTEN TO THE TEACHER

YEAH, YEAH, THEY'RE TRYING TO TEACH US THINGS.

# TRY TO DO YOUR HOMEWORK.

- To understand the material they need to practice

# EAT

KNOWLEDGE THOUGH FOOD FOR  
THE MIND, BUT WITHOUT FOOD  
YOU WILL NOT LAST LONG

# LEARN TO CHEAT

- Not can learn - know how to write off
- (better learn)

## DO NOT FORGET ABOUT NON-CORE LESSONS

- If you think they're not useful, it does not mean that you can forget about them(the exam is waiting for each)

# CAT LISA WILL HELP YOU

IF YOU MANAGED TO FIND  
IT BEFORE THE EXAM, THEN  
DO NOT LOSE THE CHANCE  
TO STROKE IT

# GRADES ARE NOT AN INDICATOR OF KNOWLEDGE

- Do not worry much about them
