

«Toy Shop»

London is one of the biggest toy shops in the world – Hamleys.

Many children dream about this store like Disneyland.

This huge store has seven floors.

Downstairs there are Legos and designers. On the ground floor - soft toys.

The first floor is for games and puzzles, the second floor is full of different toys for preschoolers.

# The third floor is for girls - dolls, crafts.

Fourth floor and fifth for boys – are for cars, trains, figures.
