

Russia

Russia is a wonderful and huge
country

Russia does ...

Russia has a very large
population of people of
different nationalities. a
lot of animals and cities

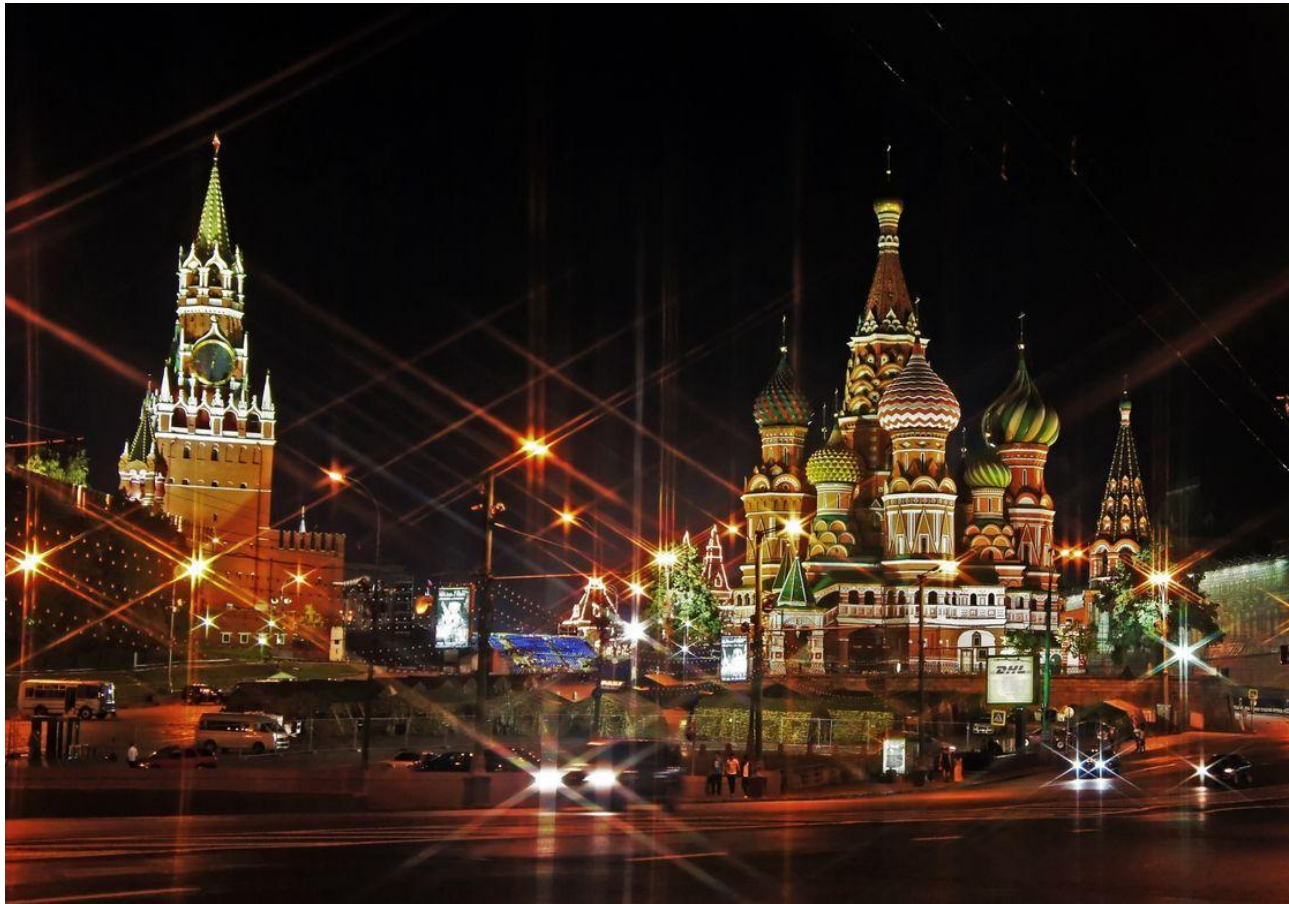

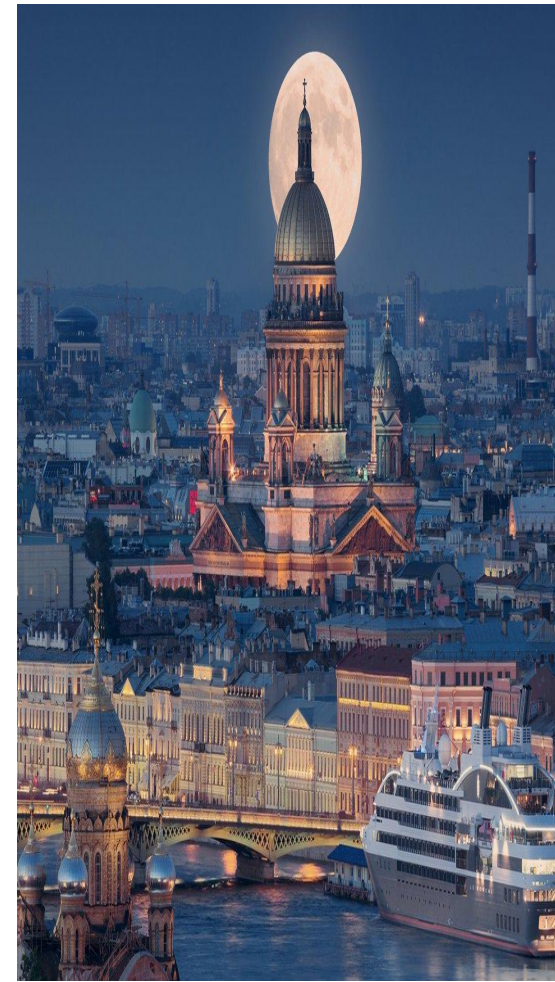

First, let's talk about the population of our country. Many people of different nationalities live in Russia.

For example, Tatars
Bashkirs, Ukrainians,
Chuvash and many
other different
nationalities

talk about cities

In Russia there are many cities such as Moscow Muravlenko St. Petersburg and so on Moscow is the capital of Russia is the largest city in our country
