

# Marketing tricks

A 3D rendered image of a supermarket aisle. In the foreground, a silver metal shopping cart with a red handle is positioned on the left. The aisle is lined with shelves on both sides, filled with various products. On the left side, there are rows of 'Alive!' brand items, including small containers and boxes. On the right side, there are rows of blue and yellow containers, and a display of green items in a wooden crate. The floor is a light-colored, reflective surface. The ceiling has recessed lighting fixtures. The overall scene is brightly lit and clean.
