Flying to Wiehl

- It was my first flight and I enjoyed it very much. Travelling by plane is really wonderful and exciting for me so I would like to try it again.(Sonia)

The weekend

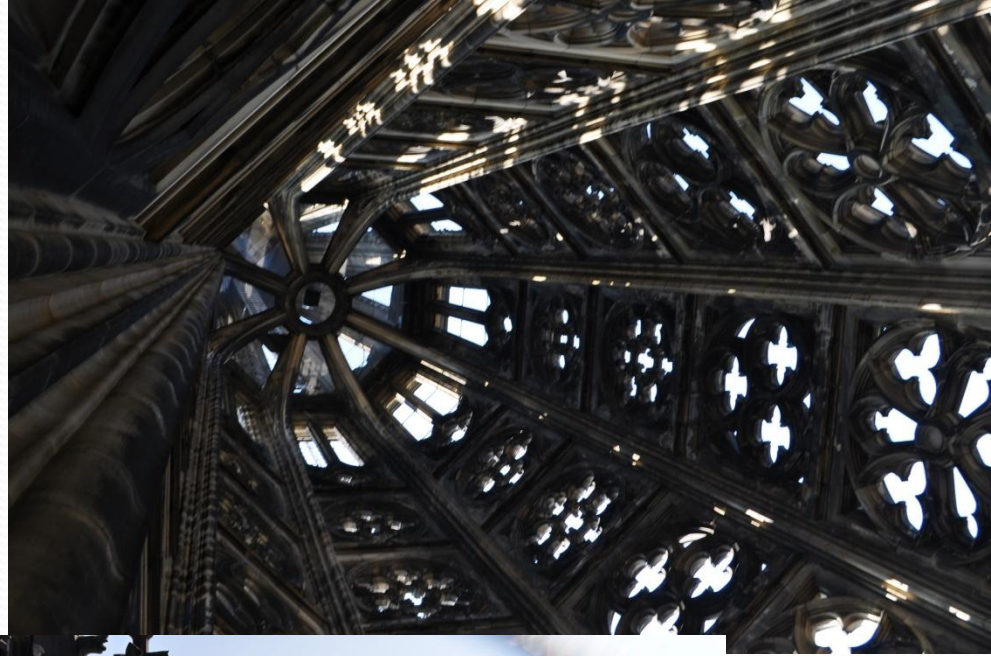

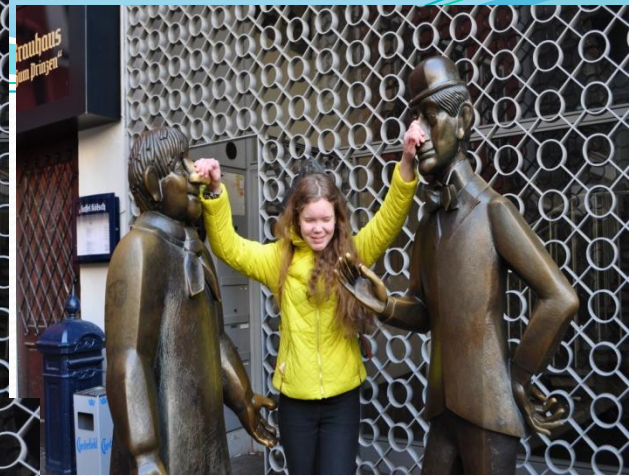

14.03 Cologne

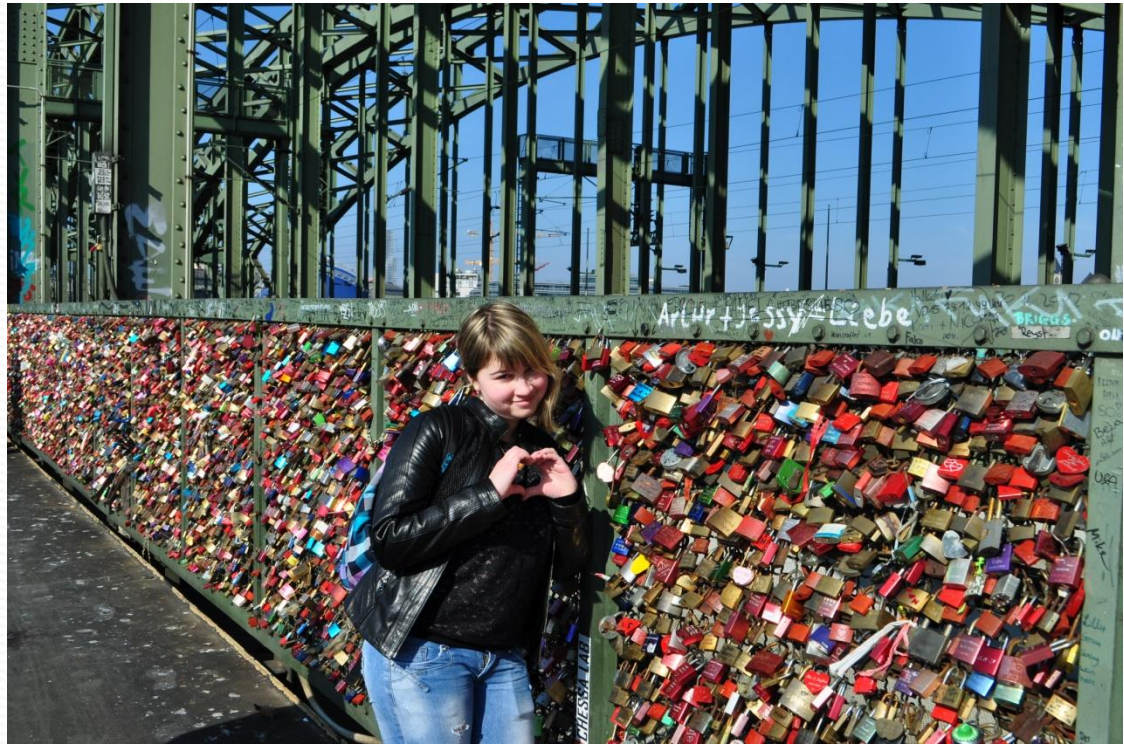

I visited Cologne for the first time and I hope it is not the last. Most of all I liked Cologne Cathedral. We looked at it from different directions and we even walked upstairs. It was difficult for me to climb 521 steps but the view from the top was really beautiful and I enjoyed it very much. Now Cologne is my favourite city!(Ksusha)

15.03

Aachen

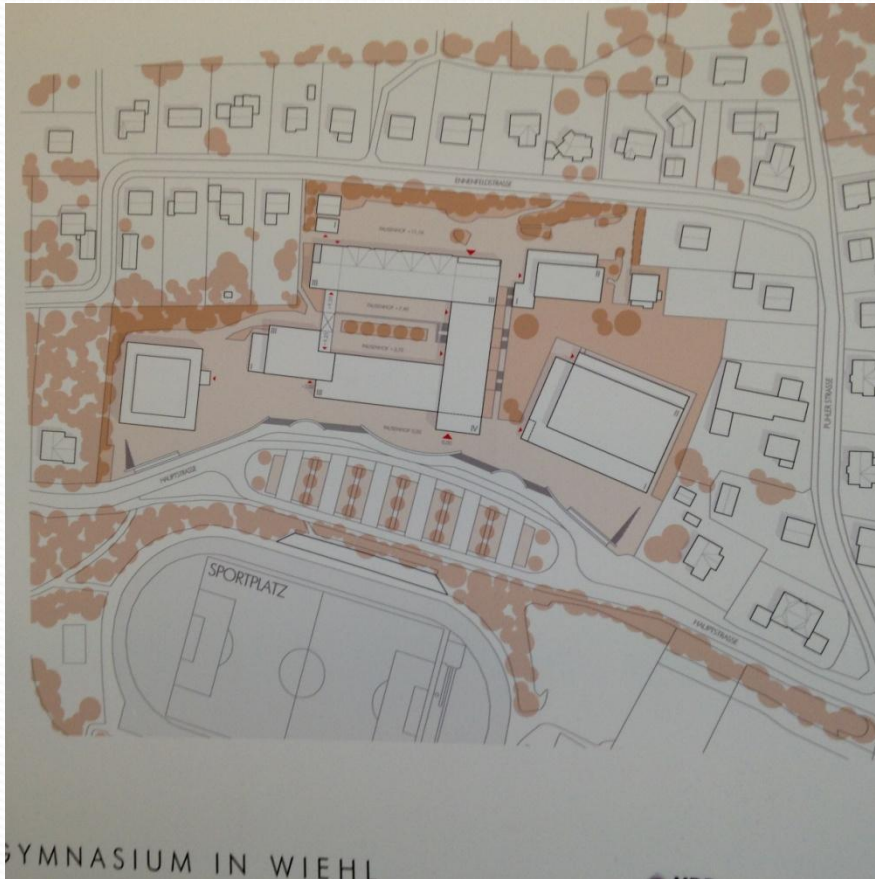

16.03

Bonn

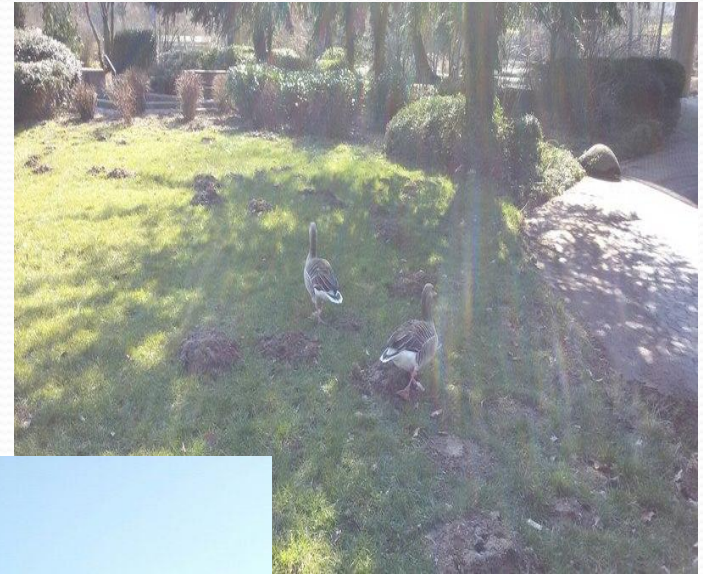

17.03

Wiehl

The walk around Wiehl was really exciting and we all had a lot of fun. I think that most of all I liked eating ice cream because it was very tasty and it was really warm outside. I also enjoyed the excursion around the school because it is much bigger than the ours and the teachers are very friendly there. I think I would like to visit this small fantastic town again.(Ksusha N.)
