# КОРРУПЦИЯ

The image features a large, bold, grey word 'КОРРУПЦИЯ' at the top. A thick red 'X' is drawn across the entire scene, crossing over the word and the background. The background shows two hands exchanging money, with a 1,000 Russian Ruble banknote visible. The overall theme is anti-corruption.

The image is a complex collage. In the center, there are several stacks of money, including US dollar bills and other banknotes. Two pairs of grey metal handcuffs are prominently displayed, one pair is open and the other is partially closed, with the money appearing to be caught in them. Surrounding the money are several portraits of men. On the left, there are two men in dark suits and ties. On the right, there is a man in a military-style uniform with a grey fur hat, and another man in a dark suit. The background is a warm, orange-toned gradient.
