ATOMIC PHYSICS

Halina Pusiankova

Imagine.....

.....that you have a «**Secret Portkey**»!

*You are an outstanding scientist.
You are about to discover something
really great!*

*And in order to achieve the result
you want to contact the physicist of the
past....*

INSTRUCTIONS

You are to create VIDEO (not more than 5 minutes) to the physicist of the past following the plan given below:

- 1. Choose the **physicist** (from unit 14)*
- 2. Explain your choice*
- 3. While preparing follow the structure on the next slide*

4. STRUCTURE:

- Introduce yourself***
- Tell about your scientific interests***
- Explain why it's important for you to contact this scientist***
- Ask the scientist chosen about his discovery and ideas***
- Tell him about the discoveries/inventions in the world thanks to his contribution***
- Presuppose what things would be possible in future in this field of research***

5. Publish your video
