DID YOU KNOW?

Tartans originated in woven wool, but now they are made in many other materials. Tartan is particularly associated with Scotland. Scottish [kilts](#) almost always have tartan patterns. Today tartan is generally used to describe the pattern, not limited to textiles. In America the term plaid is commonly used to describe [tartan](#).

How are these two pictures related?

SIR WILLIAM WALLACE

- Sir William Wallace (died 23 August 1305) was a Scottish knight and landowner who became one of the main leaders during the Wars of Scottish independence. Along with Andrew Moray, Wallace defeated an English army at the Battle of Stirling Bridge in 1297, and was Guardian of Scotland, serving until his defeat at the Battle of Falkirk. In 1305, Wallace was captured in Robroyston near Glasgow and handed over to King Edward I of England, who had him hanged, drawn and quartered for high treason.
- The best known depiction of Wallace is in the Academy Award winning epic film *Braveheart*, which was directed by Mel Gibson.

NESSIE

- The **Loch Ness Monster**, more often called **Nessie**, is a supposed animal said to live in the Scottish loch of Loch Ness, the second biggest loch in the country. Most scientists believe that the Loch Ness Monster is not real, and they say that many of the sightings are either hoaxes or pictures of other mistaken existing animals. However, a popular theory among believers is that "Nessie" is a plesiosaur, an extinct meat-eating aquatic reptile that lived in the Mesozoic era. The Loch Ness monster has also been described as an elephant, eel, and other creatures.

THE END

- I hope you enjoyed watching the powerpoint and know a little bit more about Scotland now. There are many more things I could have included here such as famous people, painters or artists (Mackintosh), inventors (Watt) writers (Stevenson, Burns..) But now it's your turn to choose a topic and start working on your future project.

GOOD WORK!
