I often take guests from other regions and cities. So I have a list of places in Kazan for my "tourists". And I would like to share it with you.

Let's get started!

First in the list is the Kazan Kremlin, which is a unique historical and cultural monument.

Suyumbike tower is seven-storey leaning tower, the legendary architectural symbol of Kazan.

The city's waterfront.

The family centre of Kazan.

Mega is the biggest shopping center.

Football stadium "Kazan-arena".

I go with guests to the Tatar theatre of the Galiyasgar Kamal to show them the culture and traditions of the population.

It is an architectural complex in Kazan. The Temple consists of several types of religious architecture including a synagogue, an Orthodox church, a mosque.

Blue lake is located in 20 km from Kazan. This lake has blue colour and ability not to freeze even in the winter.

Thank you for your attention!
