Warm-up poems

Winter

Winter is snowy,
Winter is frosty.
The ground is white
All day and all night.
This is the season
When children can ski,
Play snowballs
And dance round the New Year Tree.

Spring

Spring is coming,
Spring is coming,
Flowers are coming too.
Snowdrops, lilies, daffodils
Now are coming too.
Spring, spring, spring!
The trees are green,
Blue skies are seen.
Grey winter has gone away!
The world looks new and gay.

Autumn

Summer is over.
September comes.
October and November
Are autumn months.
The summer is over,
The trees are bare.
There is mist in the garden
And frost in the air.

Summer

This is the season when nights are short.
And children have plenty of fun
and sport.
Boating and swimming all day
long
Will make us healthy and strong.
