Gestures and mimics

Politicians speak the state language

***BOLAT ZHAMISHEV
MINISTER OF FINANCE
(2007)***

Less than a politician in English or other foreign languages, and still learn from the use of Kazakh language dictionary is not correct. As can be seen in the video, and his report is read in the paper a lot of emphasis on.

YERBOLAT DOSAYEV

*Minister of Economy and Budget Planning
of the Republic of Kazakhstan.(2013)*

*Yerbolat Dosayev
interview with the Kazakh
language and words, even
when one is not clear, will not
be able to create sentences.
As can be seen in the video,
journalists and ordinary
people did not understand the
meaning of a single word.*

GULZHAN KARAGUSOVA

*Deputy of the Majilis of the
Parliament of the Republic of
Kazakhstan(2007)*

It is not at all in the official language of the deputy speaks, I think, for others there was very unpleasant. In addition, during a speech at a Russian accent hard swarm.

SUMMING UP THE RESULTS OF THE TOTAL, IN THIS VIDEO, WE SPEAK ONLY OF POLITICIANS, NOT JUST SLANG OR GESTURE AS WELL AS THE USE OF WORDS IN THEIR VOCABULARY, OBSERVED. 70% NOTICED THAT MANY POLITICIANS USE LANGUAGE IS WRONG AND WILL NOT BE ABLE TO INTERVIEW IN THEIR OWN LANGUAGE
