THE PRESENT INDEFINITE TENSE

The affirmative form of this tense is synthetic.

The suffix -s is added to the verbs in the 3rd person singular.

I work.	She works.
We work.	He works.
You work.	It works.
They work.	

The negative and interrogative forms are analytical. We use the auxiliary verb "do".
The auxiliary verb takes the suffix -s from the verb in the 3rd person singular.

I do not work. Do I work?
We do not work. Do we work?
You do not work. Do you work?
They do not work. Do they work?

She does not work. Does she work?
He does not work. Does he work?
It does not work. Does it work?
