

Dzerzhinsk

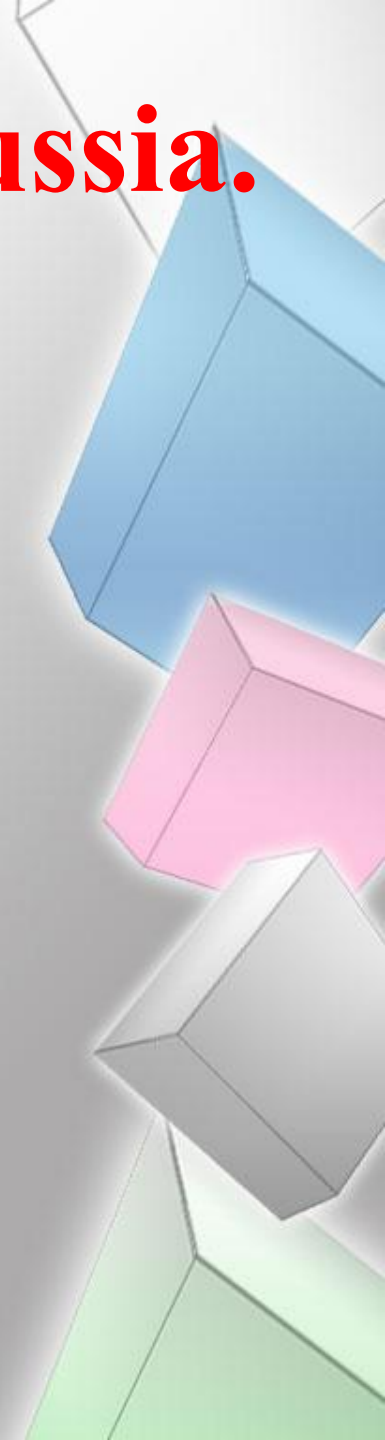

Students: Dubova Maria

I live in Dzerzhinsk.

This is a modern city in Russia.

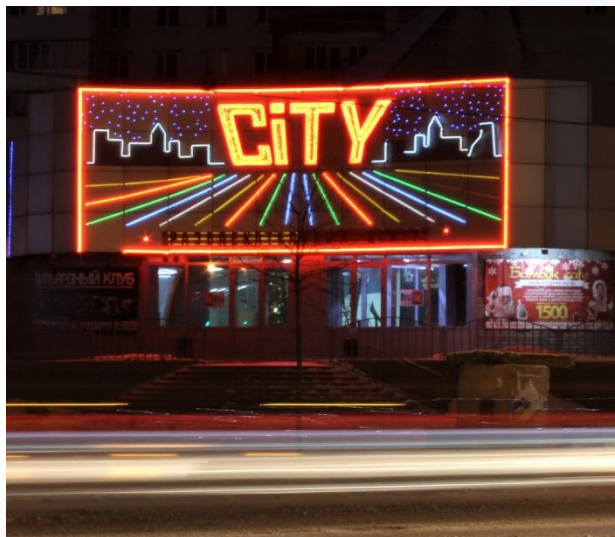

Dzerzhinsk is a beautiful city.

**Dzerzhinsk is a modern city now.
The population of the city is about
229 000 people.**

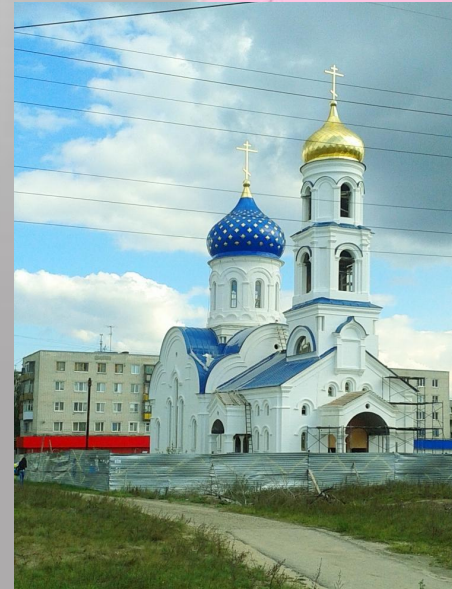

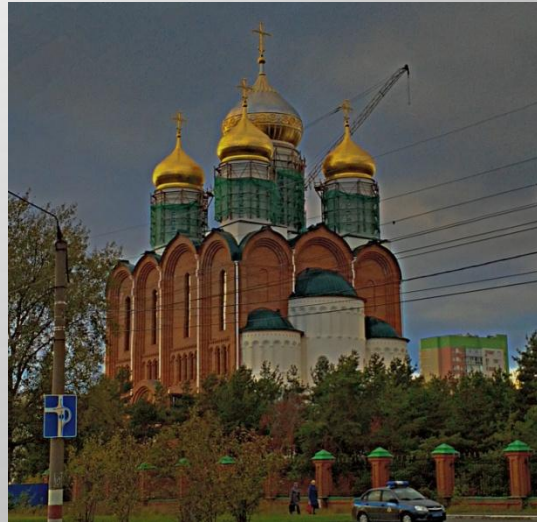

There are many cafes, shops, banks, schools in our city.

We have two cinemas, two swimming pools and three parks.

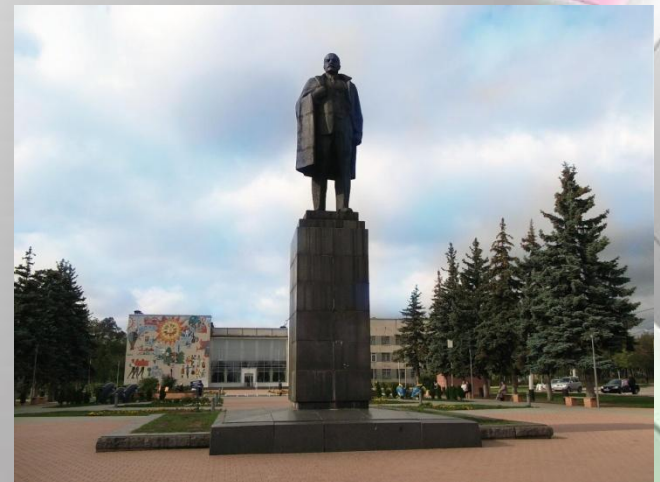

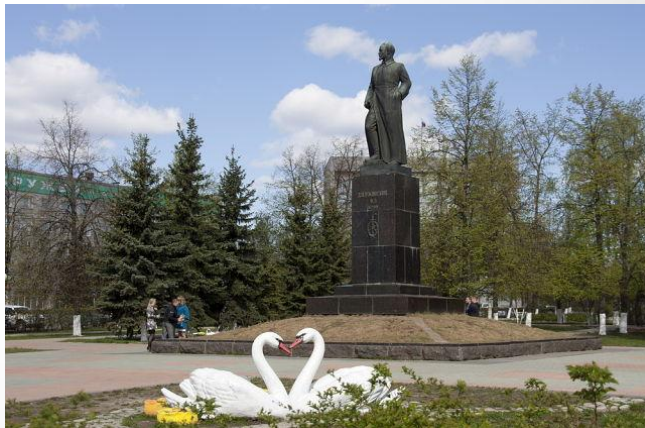

There are a lot of churches in the city.

The streets are not long and usually cross each other, so it's difficult to get lost.

There are also many monuments.

**I love my city very much and i'm sure
that if you visit it and stay for a while,
you'll love it too.**

Thank you very much!!!
