The image shows a piece of aged, yellowed parchment with a rough, torn edge. In the center, there is a faint, embossed illustration of a battle scene. The scene depicts several figures in armor, some on horseback and some on foot, engaged in combat. One figure in the center is prominently shown in a full suit of plate armor, holding a sword. Other figures around him are also in armor, some holding spears and shields. The background is filled with the suggestion of a chaotic battle. The overall tone is historical and somber.
