I am glad to welcome you to the Barnaul zoo "Forest Fairy Tale"! Come here, satisfy curiosity, learn something new about the animal world.

Children and adults like to go to the zoo. I like to go there too. I want to tell you about zoo in Barnaul.

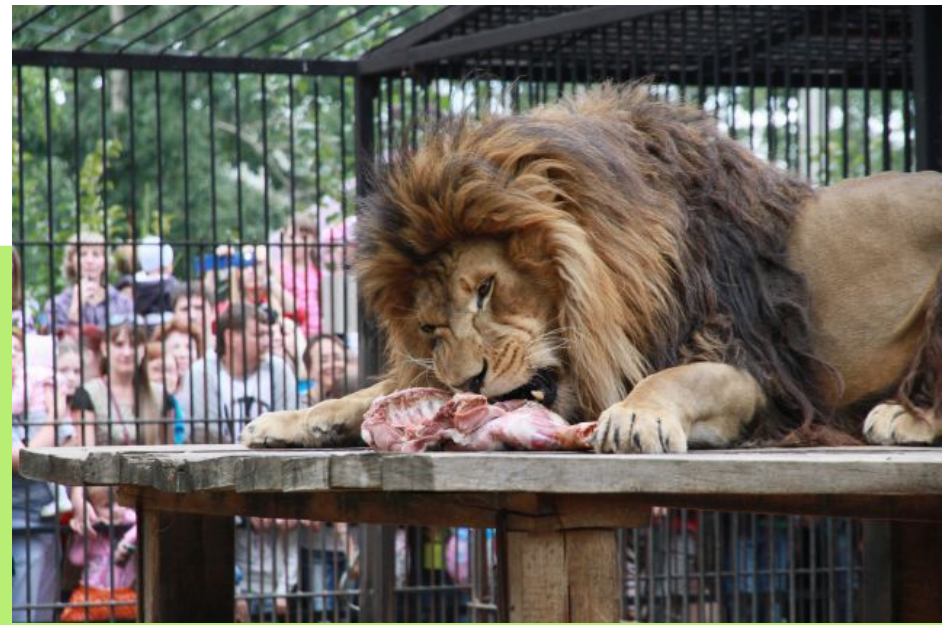

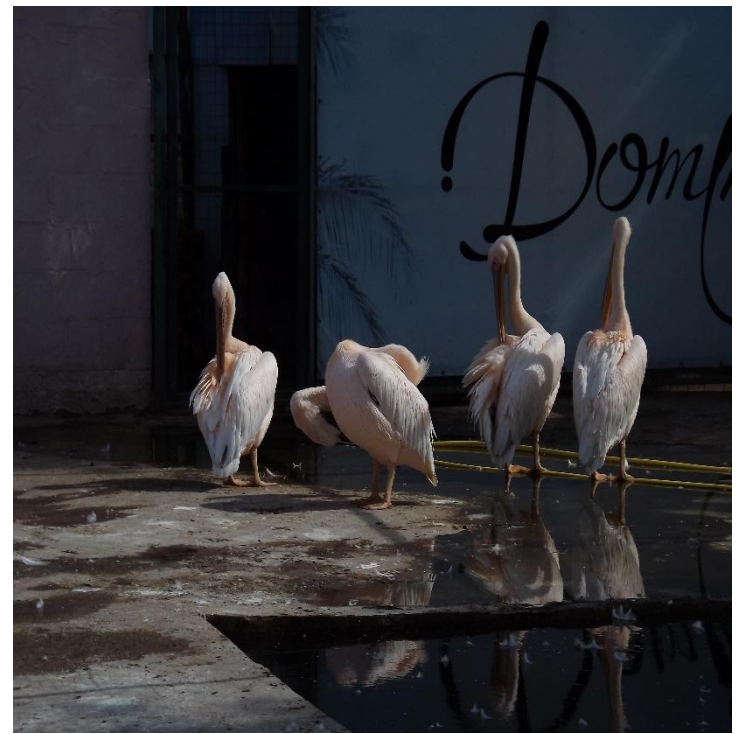

Today there are many different wild animals live there.

The wolf, snowy foxes, deer, reindeer, elks, roes increases the collection of animals.

**In the zoo you can see 16 very rare
wild animals put down in the Red
book.**

**They are: the African lion, the
Amur tiger, the pink pelicans,
leopard,**

The history of the Barnaul Zoo began in July 1995, when two chickens and two rabbits were brought there. In 2001 the yak was settled in the park.
