Hi Mike,

I can't come to the cinema with you tonight. I'm too tired. I had **to** study for the History test last night. I went to bed late, but I **couldn't** sleep. I also **have** to work in mum's shop this afternoon. Amy is lucky. She **doesn't** have to work this week. What did you think of the questions in the History test? I **could** answer the last one; it was too difficult. Amy says she didn't do well in the test. I'm not surprised. She **has** to study more!

See you soon,
James
