*The trip to Moscow

In the fall ,I, Karina , Lera , Maksim
, school students and teachers traveled
to Moscow .

While we were in the Moscow , we took pictures ,played in the city and telling stories .

**But most of all I liked the
second day in Moscow**

In the second day we walked along the Arbat and went to the museum. The museum was very interesting ! We were talking about in the battle Borodino and showed panorama , and in the evening I , Karina , Lera , Maksim , Natasha and Olia go to shop .

*This day was one of the best !
