

Do you like ice
cream?
Why\why not?

What flavors
did you taste?

How is ice
cream made?

A close-up photograph of two ice cream cones. The cones are filled with a light-colored, creamy ice cream, possibly vanilla or pistachio. They are topped with fresh raspberries, chocolate shavings, and a small sprig of mint. The background is blurred, showing more of the same dessert.

What is your
favourite
flavor?

How many
scopes do you
usually eat?

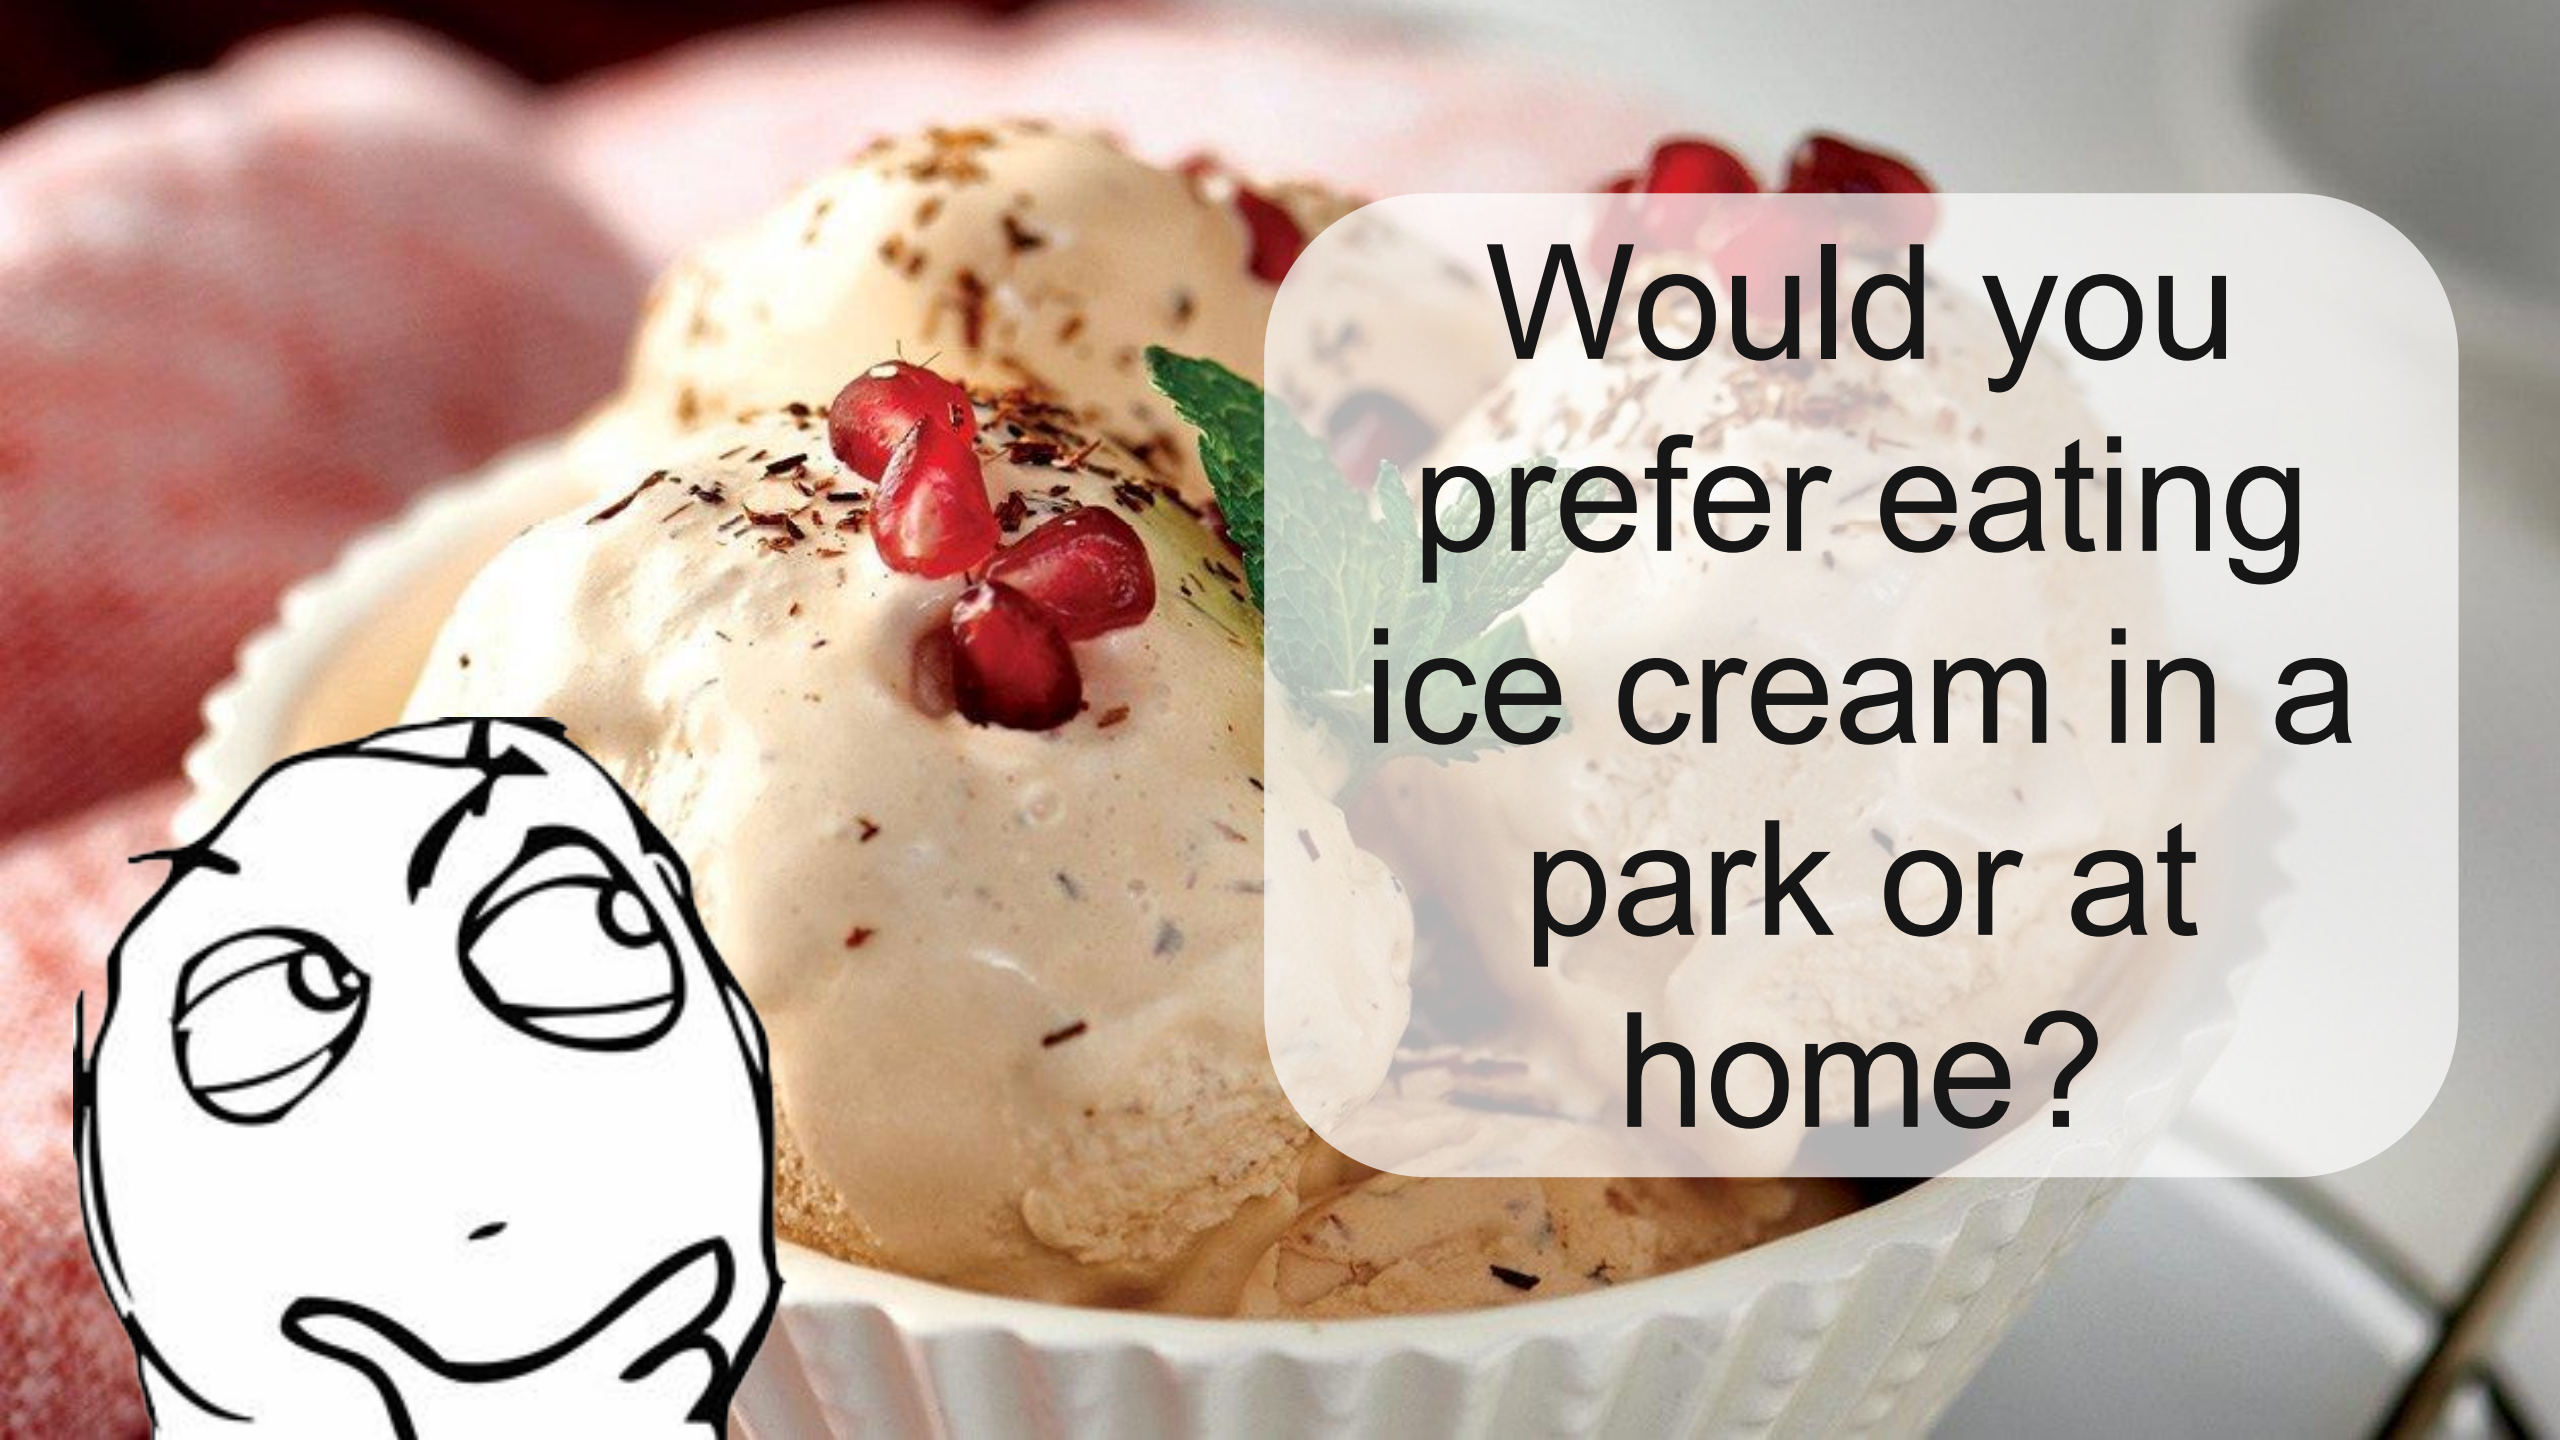

What
extravagant
flavor would
you add?

What other
sweets do you
like?

A close-up photograph of two soft-serve ice cream cones. The cones are filled with a light-colored, creamy ice cream. They are topped with fresh raspberries, a sprig of green mint, and a dusting of dark chocolate shavings. The background is softly blurred, showing more of the same ice cream cones.

Would you
prefer eating
ice cream in a
park or at
home?

Do you like
