China

the USA the UK  
the Russian Federation  
the Netherlands  
the city of London  
the city of Rome

No, we don't  
'the' or '-'

Have you  
ever been to  
... Australia  
before?

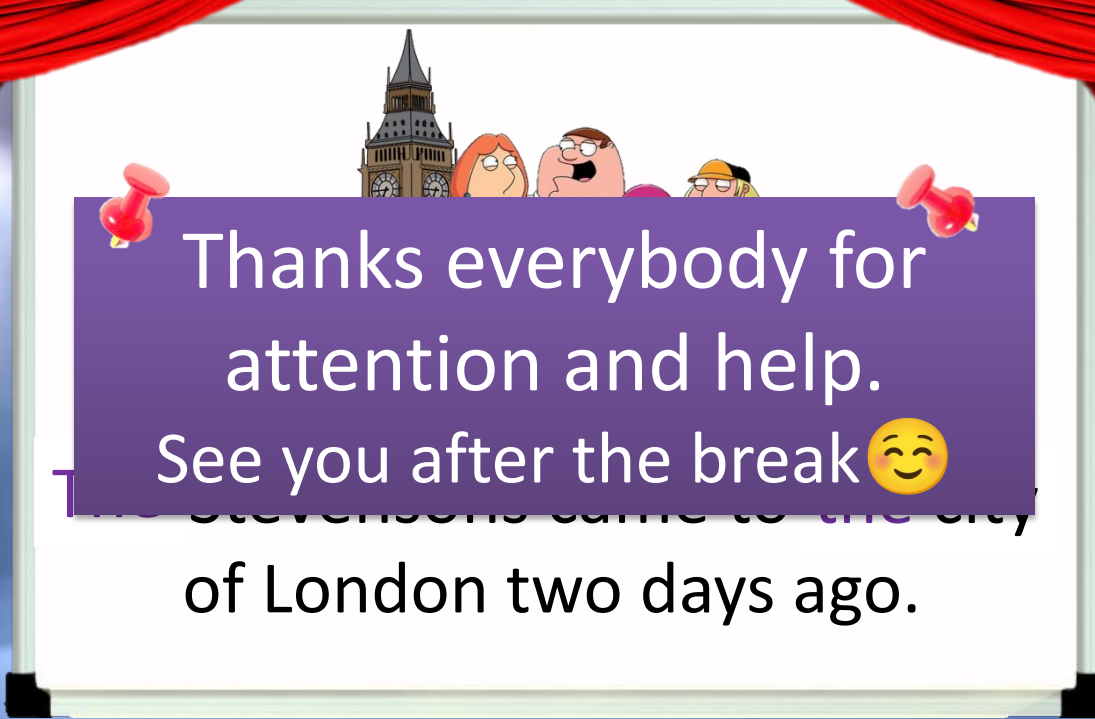

London is a city, and we **don't need** any article.

But 'Mall' is one of London streets which is used with 'the': **the Mall**

One of the most famous streets ' ... Londor **the** Mall.  
Mall.

Thanks everybody for  
attention and help.  
See you after the break 😊

of London two days ago.
