A Strategy is.....

What was agreed

The Principles of Rhythm

Consistency

Short, medium and long interval points

Structured meetings – short term content for frequent meetings, medium term content for medium term meetings – no hijacking

Meetings and people availability scheduling disconnected

Data is king – work to a plan, measure, adjust

The Rhythm of Unknown Company

The daily

The weekly

The monthly

The quarterly

The annual – Yearly plan,
appraisals, goal setting at an
individual level etc

Building a rhythm for external
activities

Roles Review

Measurements

The Core Measures for Unknown Company

What are the top 3 measures for each function?

What is missing?

What is being measured, that no-one uses?

Can we truly measure what we want to know?
