

5 Goals

- ▶ 1. To write successful the test before university
- ▶ 2. to enter the state form at the university
- ▶ 3. In the future be good and professional doctor
- ▶ 4. To help other woman and girl about them healthy
- ▶ 5. To learn and speaking better English as much as possible

- ▶ The one woman , who inspire me is Olga Belokon. She is gynecologist-obstetrician, help other woman's them health, in the Instagram follow 3 million people. She was internship in other countries namely USA. She writes 2 books. The one book about woman's body and hygiene of girls. The two books about when woman got pregnant and what she does.

- ▶ The two person is Jennifer Lopez. She is singer . Jennifer inspire me because she not younger , but don't forgot about body, healthy and working. She very beautiful and smart . At the now Jennifer is remove a lot of funny films.

- ▶ The three person is Angelina Jolie. I don't know. When I read the biography about her. I was surprised why beautiful girl has bad live. But when she married Bred Pitt and has 6 children she started care yourself health. At the now she too remove a lot of film and cartoon , care 6 children and free woman.
