

Презентация по культурологии на тему: «Сущность и функции культуры»

Подготовил студент группы ФП-17
Анисимов Андрей

$$+ O_2 \rightleftharpoons 2H_2O \quad PV = nRT$$

$$K_{eq} = \frac{[H_2O]^2}{[H_2]^2 [O_2]}$$

$$\log_a \left(\frac{1}{x} \right)$$

$$F = \frac{G m_1 m_2}{r^2} \quad v = \omega r \quad E_k = \frac{1}{2} m v^2$$

$$\sin^2 \theta + \cos^2 \theta = 1$$

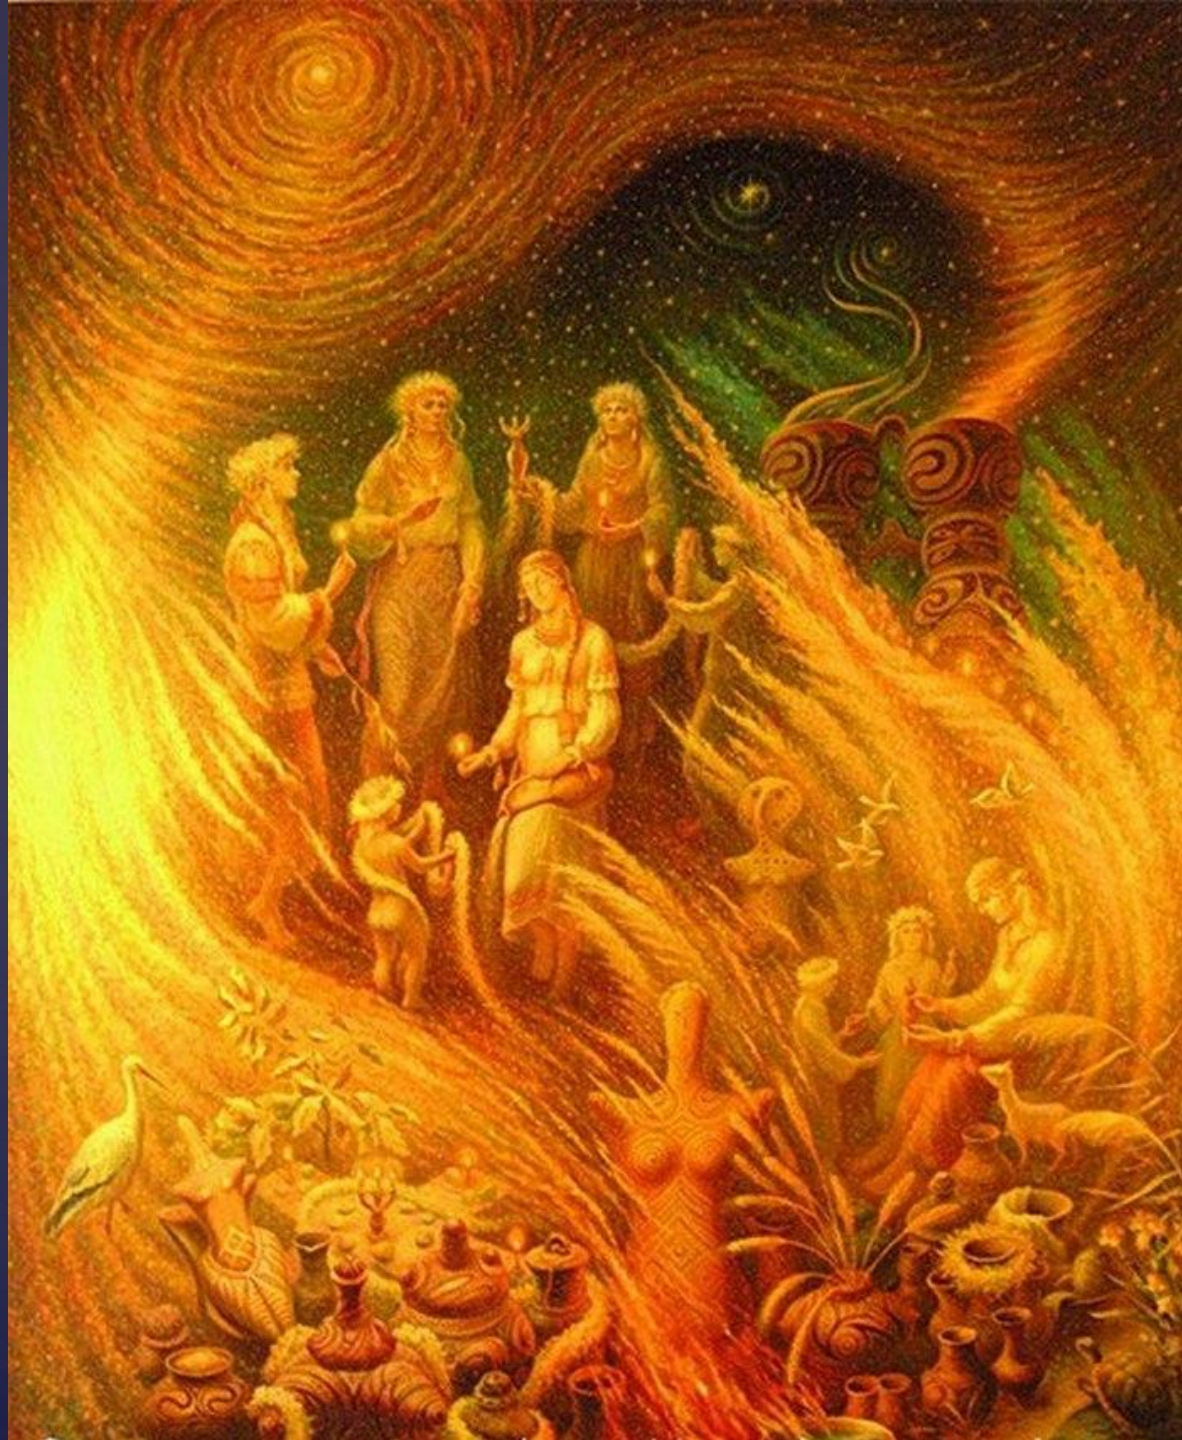

$$E = mc^2$$

$$\sin \alpha = \frac{s}{h}$$

$$+ b^2 - z$$

$$= h\nu$$

Culture

A large, three-dimensional sculpture of the word "Culture" is positioned on a green lawn. The letters are made of a reddish-brown material with a textured, weathered appearance. The sculpture is set against a background of lush green trees and a clear sky. The word "Culture" is written in a classic, slightly stylized serif font. The letters are arranged in a single row, with the 'C' being the largest and the 'e' being the smallest. The entire sculpture is supported by thin metal rods that are visible through the letters. The lawn is well-maintained and green, with some scattered leaves. The trees in the background are dense and leafy, creating a natural setting for the sculpture.
