

ENUMERATION

ASSEL SARSENBEKOVA 2FLK

WHAT IS ENUMERATION?

- **Enumeration is a rhetorical device used for listing the details or a process of mentioning words or phrases step by step. In fact, it is a type of amplification or division in which a subject is further distributed into components or parts.**

OSCAR WILDE

“THE PICTURE OF DORIAN GRAY”

- “Stay, Harry,” said Hallward, looking at this picture.

“And now, Dorian, **get up on the platform, and don't move about too much, or listen to what Lord Henry says.** He has a very bad influence over all his friends.”

- Words! How terrible they were!
How **clear**, and **bright**, and
dangerous!

- No, you don't feel it now. Some day, when you are **old** and **wrinkled** and **ugly**, when thought has left lines on your forehead, you will feel it, you will feel it terribly.
- It is of the great facts of the world, **like sunlight, or spring-time, or the reflection in dark waters of that silver moon.**
- But what the gods give you, they quickly take away.
You have only a few years in which to live **really, perfectly, and fully.**

The background is a dark blue gradient. In the corners, there are decorative white and light blue circuit-like lines with small circles at the ends, resembling a stylized PCB or neural network diagram.

- And now he stood looking at his own beauty. Yes, there would be a day when **his face would be wrinkled, his eyes dull and colourless, the body broken and deformed.**

- 
- The background is a gradient of blue, darker at the bottom. In the four corners, there are decorative white line-art patterns resembling circuit boards or neural networks, with lines and small circles.
- One should sympathize with **the colour, the beauty, the joy of life.** The less said about life's sores, the better.

The background is a dark blue gradient. In the corners, there are decorative white and light blue circuit-like patterns consisting of lines and small circles, resembling a stylized PCB or network diagram.

- The masses feel that **drunkenness, stupidity, and immorality** should be their own special property, and that if anyone of us makes an ass of himself he is poaching on their preserves.
