

«...Станет свежее,  
чем в молодости,  
пусть он  
возвратиться к дням  
своей  
юношеской силы...»  
Иов 33:25

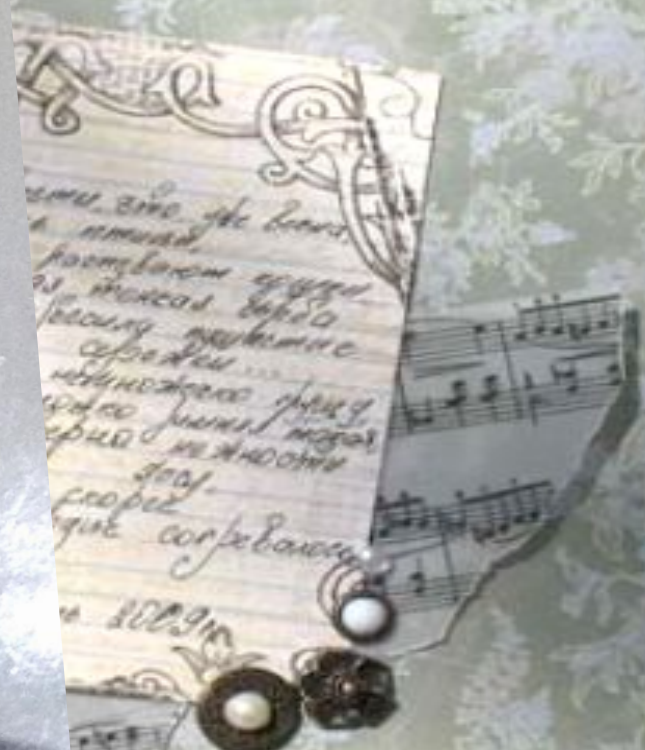

Dear Your son,  
Hello there! How's everything with  
you? I've been down' just a bit of  
hardened riding lately and it's really  
keeping me in shape. In your pocket, I  
am just now completing my recent  
pic entitled "Black Star" which will  
be in the files.  
My recent record album will be  
sent in the near future. The songs  
from the movie "B.O. Blue" I  
hope you like it as well as my  
own "Blue is Best." I want to  
say how much I appreciate everything  
you do for me, and I hope I can  
make it worth your while.  
I love you,  
Your Dad  
John

When you read  
The little book  
I hope we  
this evening  
our old

and begin
