ARE YOU A RESPONSIBLE TRAVELLER?

Permission - I asked for permission to record a video of the concert, but it was said that we were not allowed to do that.

A way of living – Ancient Kazakhs were nomads. It was their way of living.

Locally produced goods – when I was in Germany I bought locally produced chocolate because in my country it is more expensive.

Endangered animals – if we buy products of endangered animals, they will extinct forever

To drop litter - if everyone drops litter in the streets, our streets will be dirty.

To disturb animals – please, do not disturb monkeys, they can bite you!

TRAVEL TIPS:

CULTURAL DIFFERENCES

Before you travel to a foreign country, it is a good idea to learn a few things about the customs and gestures of the people. These may be very different from yours and if you are not familiar with them, you might make a fool of yourself or even get into trouble!

DISCUSS

Why is it important to be a responsible traveller?

Can you think of a time when you did something inappropriate in a social situation and you were embarrassed? What happened?
