Фонематическая фонзарядка

Фонематическая фонзарядка – это тренировка произнесения конкретного звука в разном окружении. Сначала звук предъявляется изолированно, учитель с помощью жестов объясняет или напоминает его артикуляцию, а затем начинается отработка звука в различном окружении в следующей последовательности: в изоляции – в слове – в словосочетании – во фразе. Например, звук [r].

Elizabeth's birthday is on the third Thursday of this month.

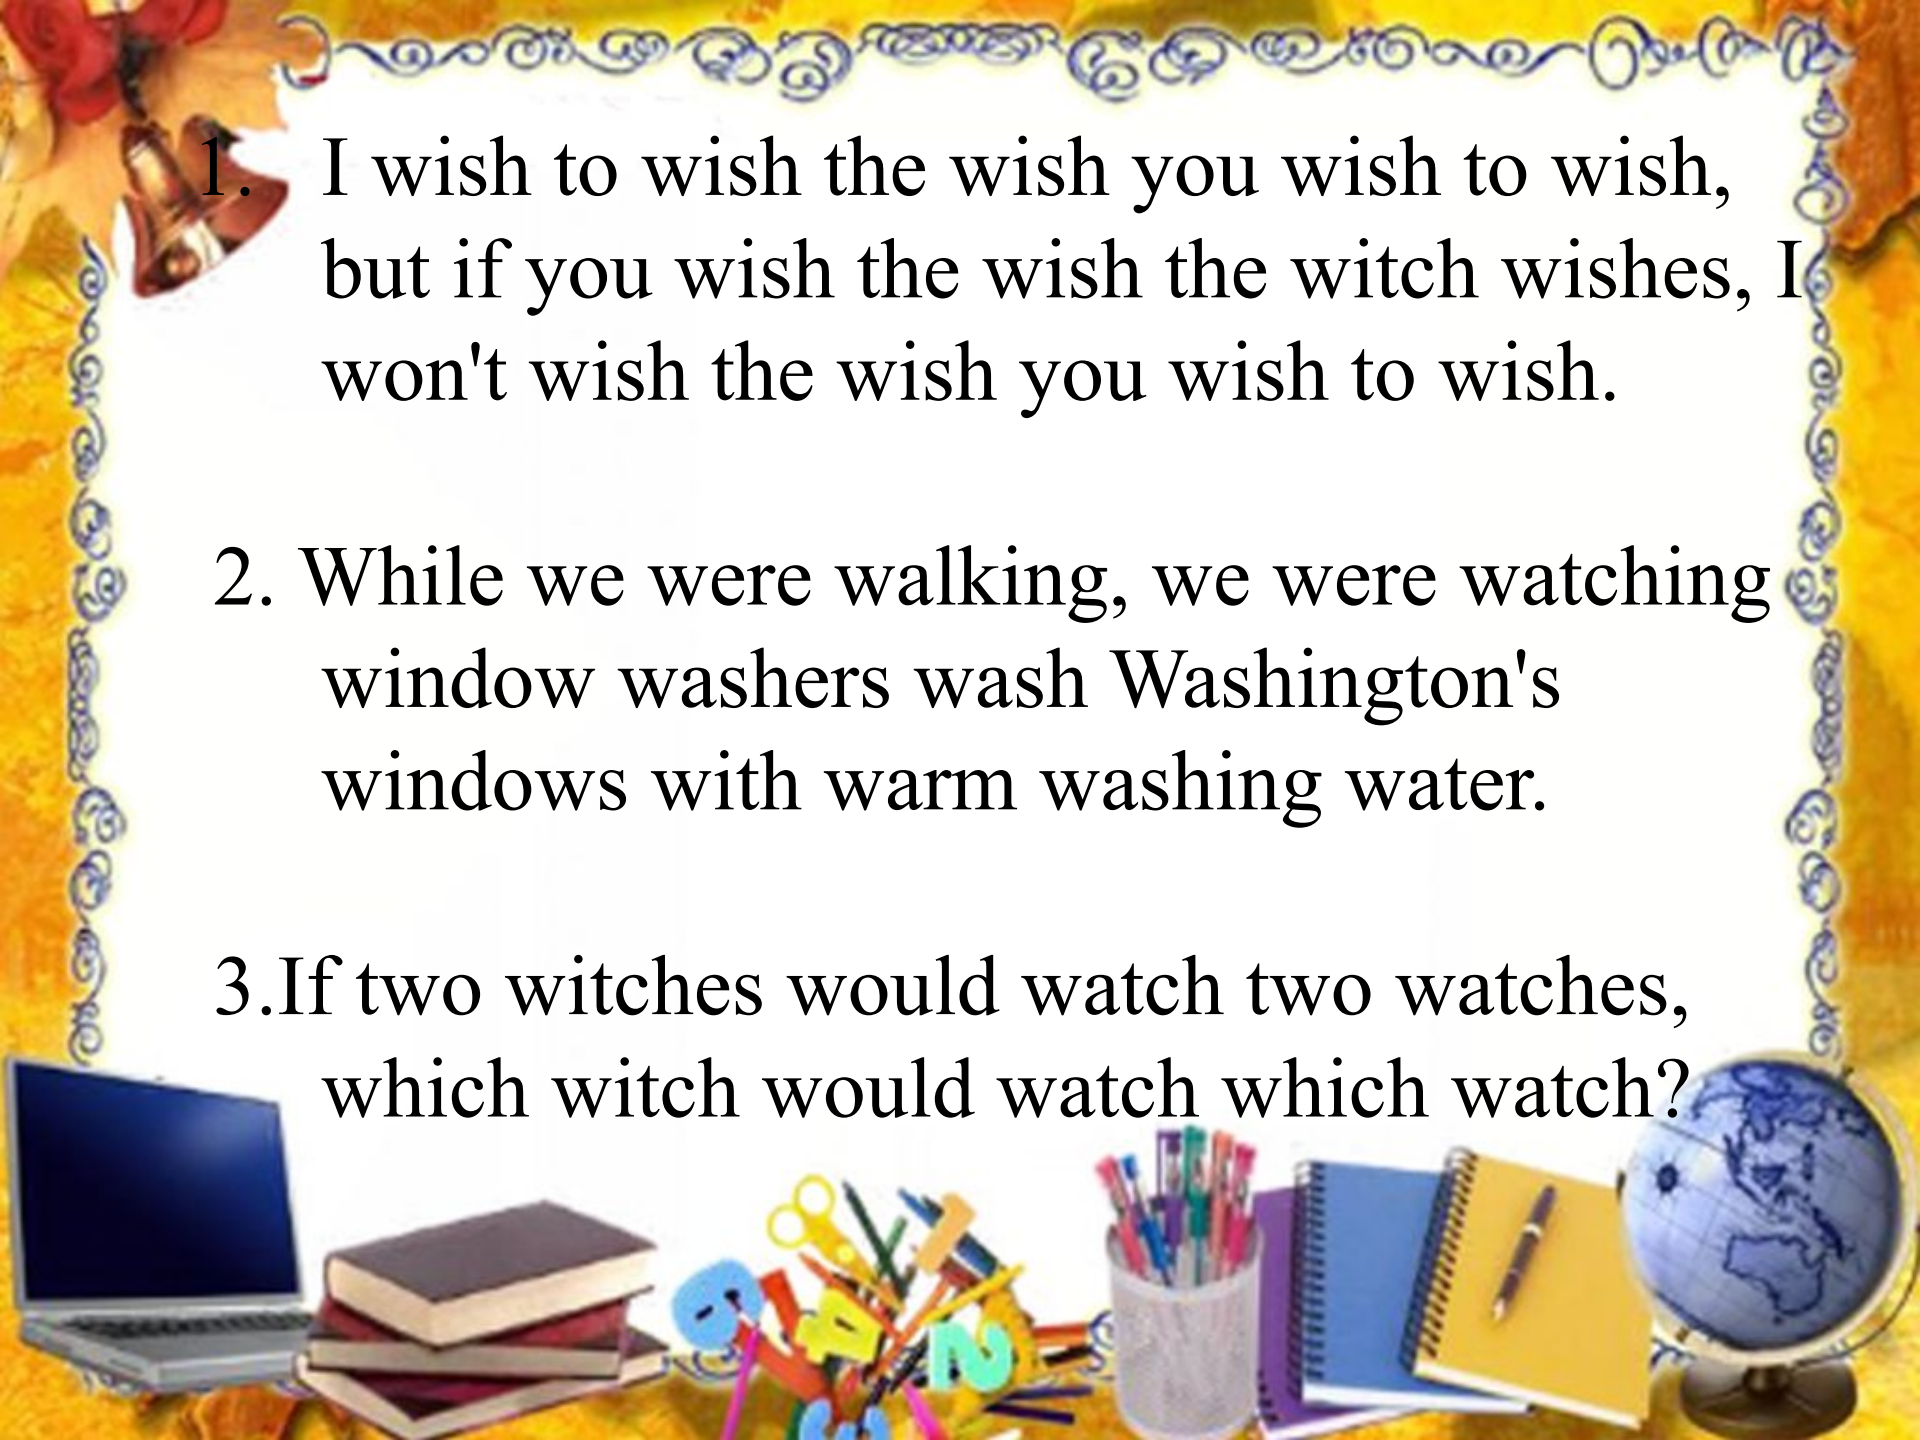

The thirty-three thieves thought that they thrilled the throne throughout Thursday.

There those thousand thinkers were thinking how did the other three thieves go through.

I thought ... I thought of thinking of thanking you.

Nothing is worth thousands of deaths.

1. I wish to wish the wish you wish to wish, but if you wish the wish the witch wishes, I won't wish the wish you wish to wish.

2. While we were walking, we were watching window washers wash Washington's windows with warm washing water.

3. If two witches would watch two watches, which witch would watch which watch?

Peter Piper picked a peck of pickled pepper
A peck of pickled peppers Peter Piper
picked.

If Peter Piper picked a peck of pickled
peppers,

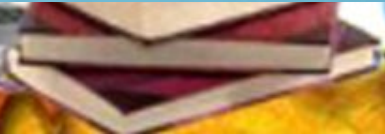

Where's the peck of pickled peppers Peter
Piper picked?
