

I HAVE CHANGED MY LIFE!

Used to/didn't use to...

I **used to** be lonely and unhappy.
Now I am happy!

I **didn't use** to celebrate Christmas.
Now I celebrate it!

| used to sleep on the money bags

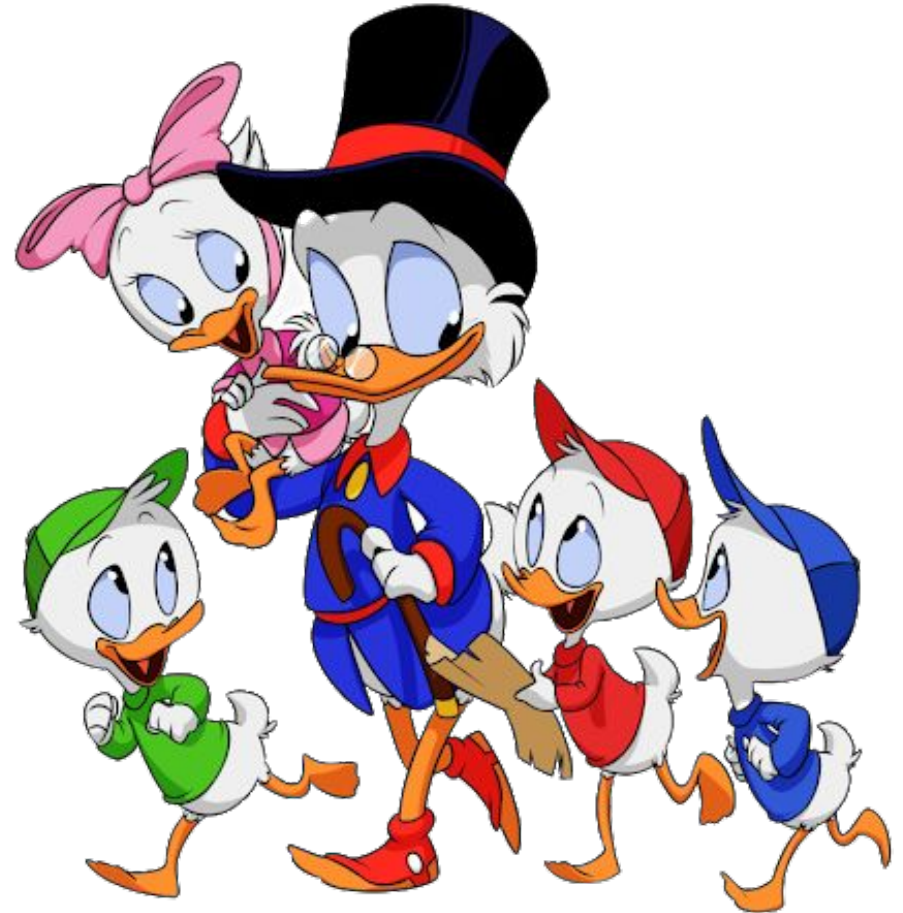

| used to wear a money necklace

I didn't use to hug my little niece.

I didn't use to spend time with my nephews

I used to to be angry and mean.

I used to read book alone at home.

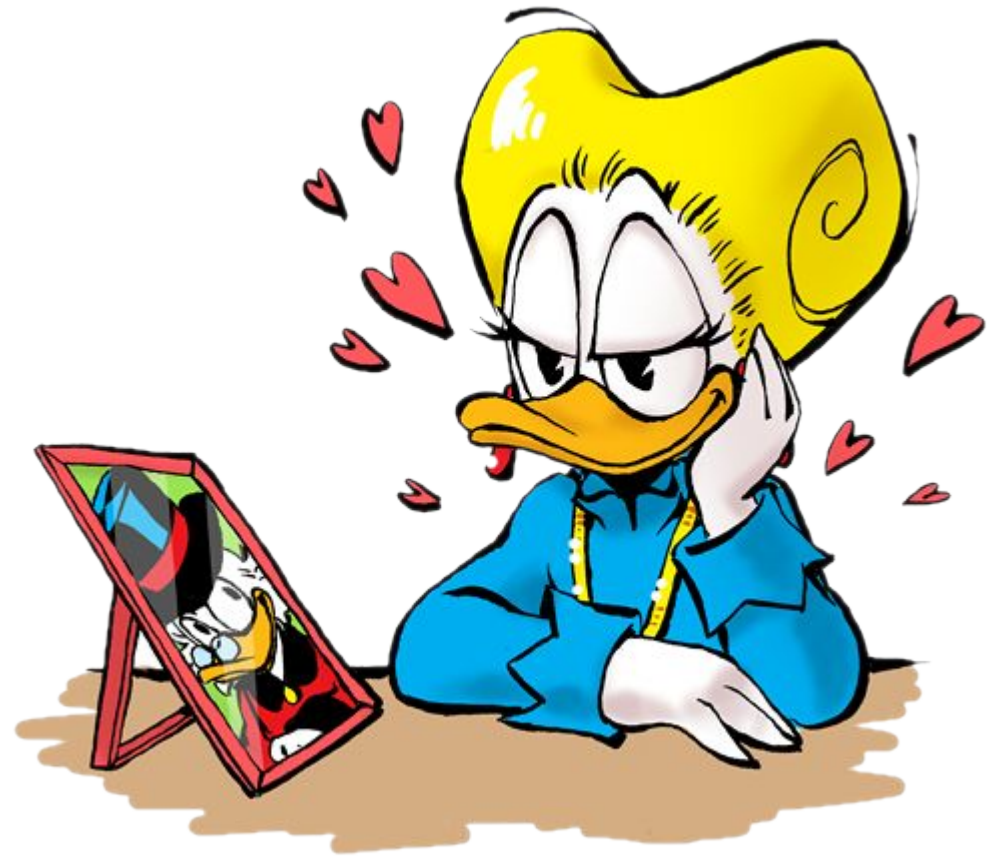

I didn't use to ski in the mountains.

I used to count every coin.

| didn't use to have a girlfriend.

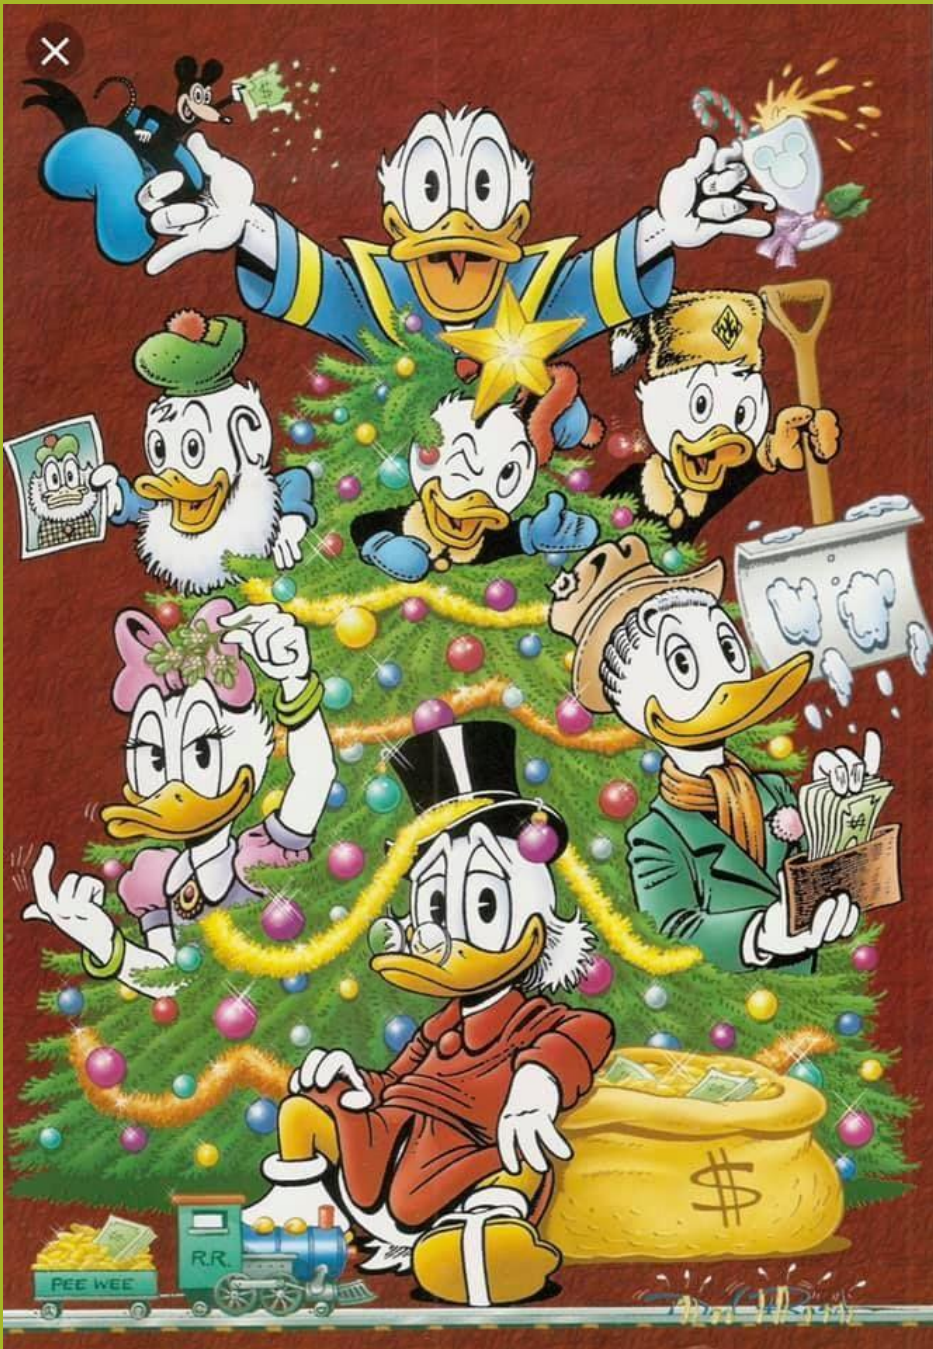

I used to hate my nephew

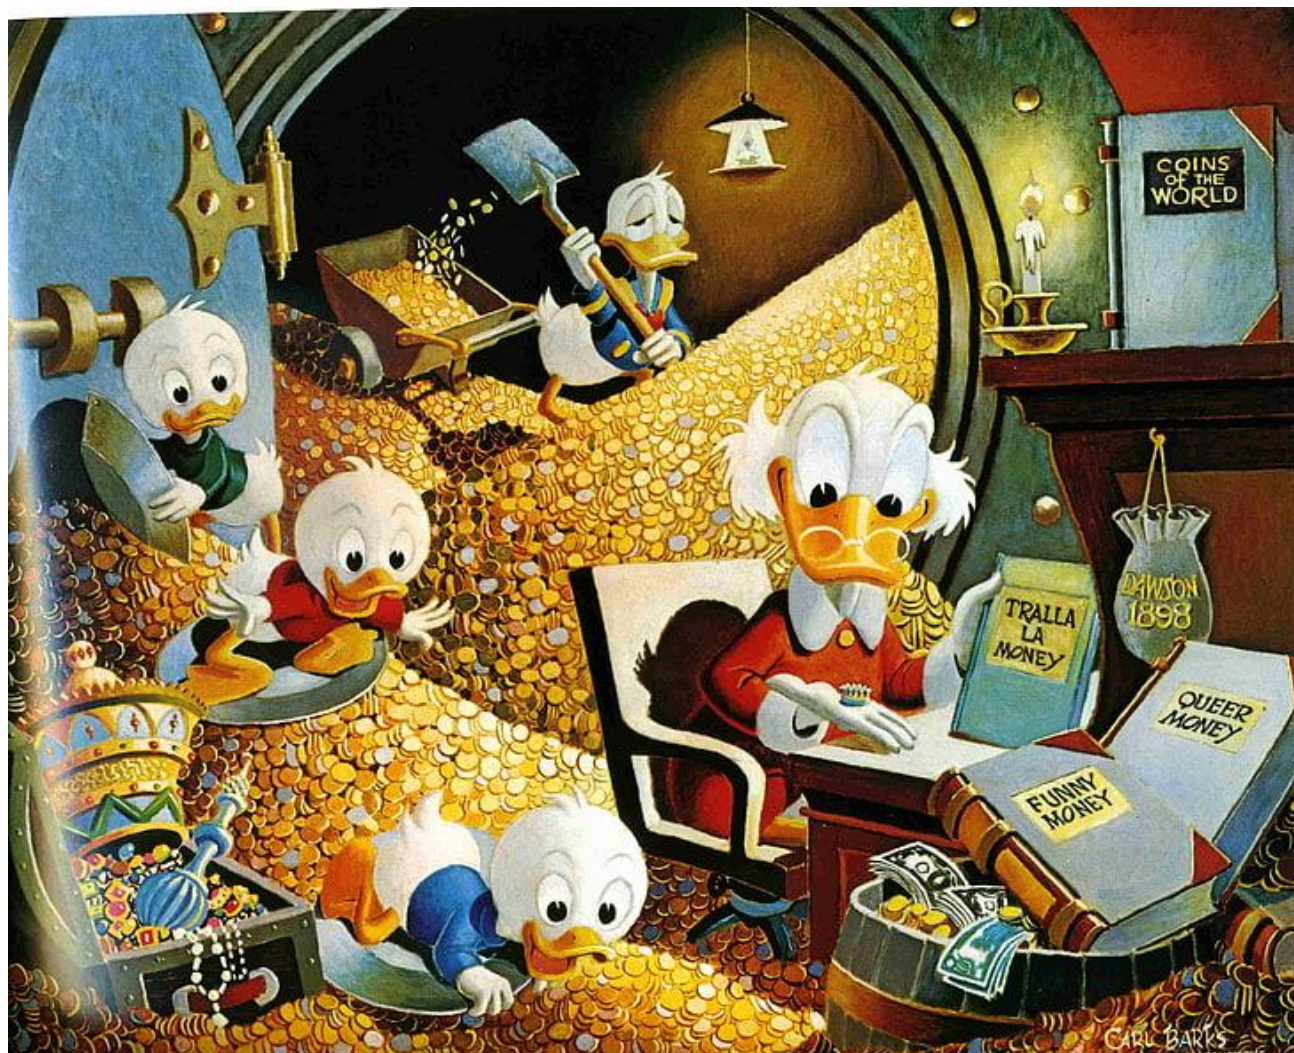

Children didn't use to love me.

didn't use to celebrate Christmas

I used to work a lot.

GOOD JOB!
